

INTRODUCTION to the Archbold Biological Station Plant List

2006 Edition Carl W. Weekley Heather H. Lindon Eric S. Menges

Introduction

This edition of the Archbold Biological Station Plant List represents an advance over the previous version (Menges et al. 2000) in two ways. First, it brings the nomenclature into agreement with Wunderlin and Hansen (2003), the only state-wide taxonomic treatment of the flora of Florida. Second, in its digital version the ABS Plant List is now part of an integrated BIOTA database that includes label data on ~4000 specimens in the ABS Herbarium. The Plant List includes 593 vascular plants known to spontaneously occur at Archbold; it does not include cultivated (mostly exotic) plants on the Main Grounds or plants introduced on Red Hill that may persist but do not appear to be spreading.

The first list of Archbold's plants was assembled by Sam P. Vander Kloet (Vander Kloet 1986). The second major list created a tabular organization and added information on life history, distribution, and nomenclature (Menges and Salzman 1992). The first digital list (Menges et al. 2000) added a few new records and information on endangerment status and updated nomenclature to Wunderlin (1998).

This edition of the Archbold Biological Station Plant List is formatted for both digital and hardcopy versions. The digital version is available on our website. A hardcopy version is available by request from the Plant Ecology Lab. ABS Plants, the searchable BIOTA database that integrates the Plant List and Plant Ecology Lab herbarium label data, is under development on the ABS website under Plant Ecology Lab.

Explanation of Fields

The Plant List is organized alphabetically by family within four higher groupings: Ferns and Fern Allies; Gymnosperms; Angiosperms—Monocots; and Angiosperms—Dicots.

Family

Family names follow Wunderlin and Hansen (2003). Where Wunderlin and Hansen subsumes families recognized by other authorities, we include those family names in brackets ([]) next to the Wunderlin and Hansen family name and subsumed family names are also included within brackets in the Index to Families.

Scientific Name and Author

Nomenclature for scientific names follows Wunderlin and Hansen (2003) with the following exceptions: *Pinus elliottii* var. *densa* Little and Dorman (south Florida slash pine), *Conradina brevifolia* Shiner (short-leaved rosemary), *Paronychia chartacea* subsp. *chartacea* L.C. Anderson (papery whitlow-wort), and *Cardamine debilis* D. Don (bitter cress).

Subspecies Description

Subspecies names follow Wunderlin and Hansen (2003) with the following exceptions: for 16 species it is unclear from existing records which subspecific taxa are represented at Archbold. These species are listed with an asterisk (*) following the species name.

Synonymy

Synonyms are provided following Wunderlin and Hansen (2003). Additional synonyms may be found in Small (1933) and Kartesz (1994a, 1994b).

Common Names

Common names generally follow Wunderlin and Hansen (2003), except where more widely accepted common names are available.

Life History

Information on life span (annual, biennial or perennial), growth form (herb, subshrub, shrub, tree, etc.) and breeding systems was gathered from a variety of sources including Small (1933), Long and Lakela (1971), Godfrey and Wooten (1979, 1981), Clewell (1985), Wunderlin et al. (1985), Wunderlin et al. (1988), Christman and Judd (1990), Hall (1993), Taylor (1998), Tobe et al. (1998), Wunderlin (1998) and U.S. Fish and Wildlife Service (1999) as well as our own observations.

Flowering Time

These phenological observations are specific to Archbold, and mainly follow Vander Kloet (1986) with modifications by the authors. Some out-of-season flowering may also occur in central Florida. For non-flowering taxa (e.g., ferns and pines), this field provides information on times of spore- or cone-production.

Distribution

Worldwide distributions are given from a variety of sources including Small (1933), Christman and Judd (1990), and other sources. State names are abbreviated with two-letter postal codes. Federal-listing status, based on U.S. Fish and Wildlife Service (1999), is coded as Endangered (FE) or Threatened (FT). State-listing status, based on Coile and Garland (2003), is coded as Endangered (SE) or Threatened (ST).

Habitat at ABS

ABS habitat information is undated and/or modified from previous plant lists, following the classification of Abrahamson et al. (1984). Abundance estimates are qualitative and follow in part from Vander Kloet (1986).

Distribution at ABS

This field indicates in which ABS tracts the species is known to occur. The accompanying map shows ABS tract designations.

How to Suggest Changes in the Plant List

If you find errors or omissions in the plant list, please let us know by contacting [Eric Menges](#)

Acknowledgements

We thank Jeremy Ash, Tracy Hmielowski, Steph Neimeister, Marcia Rickey, and Katie Stuble for their help in updating this edition of the ABS Plant List. Contributions by Ginny Salzman, Marcia Hestand, and Sam Vander Kloet to earlier plant lists were invaluable. Botanists who contributed to the ABS herbarium over the years have helped document this list indirectly. Over 70% of the ~4000 specimens in the Plant Ecology Lab Herbarium were collected by Leonard Brass. Others who made significant contributions to the Herbarium include Sam P. Vander Kloet, Ann Johnson, and Alan Herndon.

SCIENTIFIC NAME	COMMON NAME	LIFE HISTORY	FLOWERING TIME	WORLD DISTRIBUTION	HABITAT AT ABS	DISTRIBUTION AT ABS
FERNS & FERN ALLIES						
BLECHNACEAE						
<i>Blechnum serrulatum</i> L.C. Rich.	Swamp Fern	Perennial, terrestrial, creeping rhizomes	All year	FL, West Indies, American tropics	Occasional Lake Annie shore, swamps, ditches in pine flatwoods & main grounds	SW, Hufty, Harris, Price, Watters
<i>Woodwardia virginica</i> (L.) Smith (<i>Anchistea virginica</i> (L.) C. Presl.)	Virginia Chain Fern	Perennial, terrestrial	Jan.-Jun.	e US to FL on Coastal Plain, West Indies, Bermuda	Occasional to abundant in swales, along shore of Lake Annie & in seasonal ponds	SW,NW,18,19,30,31, Hufty, Price, Watters
DENNSTAEDTIACEAE						
<i>Hypolepis repens</i> (L.) Presl	Flakelet Fern	Perennial, terrestrial	Summer-Fall	c & s FL, West Indies, S. America	Rare	Price
<i>Pteridium aquilinum</i> (L.) Kuhn* (<i>Pteris latiuscula</i> Desv., misapplied) (<i>Pteris caudata</i> L.)	Bracken fern	Perennial, rhizomatous	All year	Cosmopolitan, temperate & tropical regions; several geographical varieties	Locally common in scrub, scrubby flatwoods, sandhill & disturbed areas	NE, NW, SW, 7, 18, Hufty, Price
LYCOPODIACEAE						
<i>Lycopodiella alopecuroides</i> (L.) Cranfill (<i>Lycopodium alopecuroides</i> L.)	Foxtail Clubmoss	Perennial, homosporous	Sep.-Nov.	Coastal Plain, FL to MS & NY, S. America	Local in seasonal ponds within bayheads & moist low flatwoods	NW
<i>Lycopodiella appressa</i> (Chapm.) Cranfill (<i>Lycopodium appressum</i> (Chapm.) F.E. Loyd & Underw.)	Southern Clubmoss	Perennial, homosporous	Oct.-Nov.	Coastal Plain & Piedmont, N. England & LA	Local in seasonal ponds within bayheads & moist low flatwoods	NW
<i>Lycopodiella caroliniana</i> (L.) Pic. Serm. (<i>Lycopodium carolinianum</i> L.) (<i>Pseudolycopodiella caroliniana</i> (L.) Holub.)	Slender Clubmoss	Perennial, homosporous	All year	FL, GA, AL, VA	Rare, on moist muck, North shore of Lake Annie	Hufty
NEPHROLEPIDACEAE						
<i>Nephrolepis exaltata</i> (L.) Schott	Boston Fern	Perennial, terrestrial or epiphytic	All year	peninsular FL, TX, Mexico, West Indies, pantropical	Common along margins of palmetto scrub, main grounds	SW, Price
OSMUNDACEAE						
<i>Osmunda cinnamomea</i> L.	Cinnamon Fern	Perennial, macrophyllous, heteromorphous	Dec.-Feb.	FL to TX, NM, MN, Newfoundland, West Indies, tropical America, Asia; Status: CE	Common in bayheads & very low pine flatwoods	NE, NW, SW, 7, 18, 30, Hufty, Watters

SCIENTIFIC NAME	COMMON NAME	LIFE HISTORY	FLOWERING TIME	WORLD DISTRIBUTION	HABITAT AT ABS	DISTRIBUTION AT ABS
<i>Osmunda regalis</i> (Willd.) A.Gray var. <i>spectabilis</i> (Willd.) A. Gray	Royal Fern	Perennial, macrophyllous, heteromorphous	All year	FL, N. America, West Indies, Mexico, Asia; Status: CE	Common in swamps, occasional in bayheads	SW, NW, Hufty, Price, Harris, Watters
POLYPODIACEAE						
<i>Phlebodium aureum</i> (L.) J. Smith (<i>Polypodium aureum</i> L.)	Golden Polypody	Perennial, epiphytic or Occasional saxicolous or terrestrial, creeping rootstock	All year	s & c FL, West Indies, Mexico, S. America	On Sabal palmetto & Serenoa repens, Main Dr, Lake Annie shore & main grounds	SE, SW, NE, Hufty
<i>Pleopeltis polypodioides</i> (L.)E.G.Andrews & Windham var. <i>michauxiana</i> (Weath.) E.G. Andrews & Windham. (<i>Polypodium polypodioides</i> (L.) Watt. subsp. <i>michauxianum</i> Weath)	Resurrection Fern	epiphytic	All year	s FL, FL Keys, TX, MO, n to DE West Indies, Mexico, C. & S, America, Africa	Rare epiphyte on oak & hickory in scrubby flatwoods	SW, SE, NE
PTERIDACEAE [including Adiantaceae, Parkeriaceae]						
<i>Ceratopteris pteridoides</i> (Hook.) Hieron.	Water Horn Fern	Annual, rooted emergent aquatic	Jan.-Jul.	FL, West Indies	Locally common in drainage ditches	SW
SALVINIACEAE						
<i>Salvinia minima</i> Baker (<i>Salvinia auriculata</i> Aubl., misapplied) (<i>Salvinia rotundifolia</i> Willd., misapplied)	Water Spangles	Perennial, heterosporous, free-floating aquatic	All year	FL, tropical America, Africa	Locally abundant in stagnant water in Acer swamps & among reeds along lakeshores	Hufty, Price, Harris, Watters
SCHIZAEACEAE						
<i>Lygodium microphyllum</i> (Cav.) R. Br.	Climbing Fern	Perennial, climber	All Year	EXOTIC	Occasional in stumps of Lake Annie, North Shore	Hufty
SELAGINELLACEAE						
<i>Selaginella arenicola</i> Underw. (<i>Selaginella arenicola</i> subsp. <i>acanthonota</i> (Underw.) R.M. Tryon) (<i>Selaginella acanthonota</i> Underw.)	Sand Spike Moss	Perennial, microphyllous, heterosporous	All year	FL, GA, AL, TX	Locally abundant in scrubby flatwoods & rosemary scrub, common on firelanes	All Tracts except Watters & Harris

SCIENTIFIC NAME	COMMON NAME	LIFE HISTORY	FLOWERING TIME	WORLD DISTRIBUTION	HABITAT AT ABS	DISTRIBUTION AT ABS
THELYPTERIDACEAE						
<i>Thelypteris interrupta</i> (Willd.) Iwatsuki (<i>Thelypteris goggilodus</i> (Schkuhr) Small) (<i>Thelypteris totta</i> (Thunb.) Schelpe)	Shield Fern	Perennial, colonial, creeping rootstock	All year	peninsular FL, West Indies, Mexico, C. America, S. America, Old World	Abundant understory in gum swamps	Price
<i>Thelypteris kunthii</i> (Desv.) Morton (<i>Thelypteris macrorhizoma</i> E.P. St. John) (<i>Thelypteris normalis</i> (C. Christ.) Moxley) (<i>Thelypteris saxatilis</i> R.P. St. John) (<i>Thelypteris unca</i> R.P. St. John)	Southern Shield Fern	Perennial, terrestrial, decumbent rootstock	All year	FL to SC, Gulf States to TX, West Indies, tropical America	Common in seasonal ponds, drainage ditches & swales	NE, NW, SW, 7, 18, 30
VITTARIACEAE						
<i>Vittaria lineata</i> (L.) J. Smith	Shoestring Fern	Perennial, epiphyte mostly on <i>Sabal palmetto</i>	All year	s & c FL, disjunct in GA; Mexico to West Indies to Paraguay	Rare epiphyte on <i>Serenoa repens</i>	NW, SW
GYMNOSPERMS						
PINACEAE						
<i>Pinus clausa</i> (Chapm. ex Engelm.) Vasey ex Sarg. (<i>Pinus clausa</i> var. <i>immuginata</i> D. B. Ward.)	Sand Pine	Perennial, evergreen, monoecious tree, fire-sensitive, serotinous cones	Dec.-Feb.	sw FL to s AL, coastal & interior dunes	Common on sandhills, occasional in flatwoods & seasonal pond margins	All except Watters & Harris
<i>Pinus elliotii</i> var. <i>densa</i> Little & K. W. Dorman (<i>Pinus caribaea</i> Morelet, misapplied) (<i>Pinus heterophylla</i> (Elliott) Sudw.)	South Florida Slash Pine	Perennial, evergreen, monoecious tree, fire-resistant	Feb.-Mar.	ENDEMIC to s peninsular FL & FL Keys	Frequent & ubiquitous	All Tracts except Harris
<i>Pinus palustris</i> Mill. (<i>Pinus australis</i> F. Michx.)	Longleaf Pine	Perennial, evergreen, monoecious tree, fire-resistant	Spring	FL to TX, VA	Very rare, sandhills & palmetto-wire grass flatwoods	SE, 6, 19E, 31
ZAMIACEAE						
<i>Zamia pumila</i> L. (<i>Zamia angustifolia</i> Jacq.) (<i>Zamia floridana</i> A. DC.) (<i>Zamia integrifolia</i> L. f.) (<i>Zamia silvicola</i> Small) (<i>Zamia umbrosa</i> Small)	Coontie, Florida Arrowroot	Perennial, shrub, underground stem	Fall-Winter	FL, FL Keys, West Indies	Planted along Main Drive & sparingly escaping	SE, SW

SCIENTIFIC NAME	COMMON NAME	LIFE HISTORY	FLOWERING TIME	WORLD DISTRIBUTION	HABITAT AT ABS	DISTRIBUTION AT ABS
ANGIOSPERMS						
MONOCOTS						
AGAVACEAE						
<i>Yucca filamentosa</i> L. (<i>Yucca filamentosa</i> var. <i>smalliana</i> (Fernald) Ahle) (<i>Yucca flaccida</i> Haw.)	Adam's Needle	Perennial, shrub with woody caudex	Mar.-May	Coastal Plain & adjacent provinces, DE to FL & AL	Occasional in turkey oak sandhills, oak scrub, & scrubby flatwoods	SE,SW,7,18,19, 30,31,Hufty, Price, MacArthur
ALISMATACEAE						
<i>Sagittaria graminea</i> J.G.Sm.* (<i>Sagittaria chapmanii</i> (J.G. Sm.) C. Mohr.) (<i>Sagittaria cycloptera</i> (J.G. Smith) C. Mohr.)	Coastal Arrowhead	Perennial, monoecious with corms, stoloniferous	Nov.-Mar.	FL, AL, GA, to NC, West Indies	Occasional along seasonal pond margins, lake shore & wet swales	SW, 18,19, Hufty,Price
<i>Sagittaria isoetiformis</i> J.G. Smith	Arrowhead	Perennial, monoecious with corms, stoloniferous	Summer	s FL, GA	Occasional SE shore of Lake Annie	Price
<i>Sagittaria lancifolia</i> L. subsp. <i>lancifolia</i> L.	Giant Arrowhead	Perennial, monoecious with corms, stoloniferous	Spring-Fall	US, Mexico, C. America, West Indies	Ditches	Watters
AMARYLLIDACEAE						
<i>Crinum americanum</i> L.	String-lily	Perennial, bulbous	Summer	Coastal Plain, GA & FL, w to s TX	Common in marsh	Watters
<i>Zephyranthes simpsonii</i> Chapm. (<i>Atamosco simpsonii</i> (Chapm.) Greene)	Rain-lily	Perennial, bulbous	Apr.	c & s FL; Status: ST	Rare along wet road shoulders	NW, 19
ARACEAE [including Lemnaceae]						
<i>Lemna valdiviana</i> Phil.	Duckweed	Perennial, free-floating aquatic	All year	Widespread in western hemisphere	Common in slow moving water	Hufty, Price
<i>Peltandra virginica</i> (L.) Schott & Endl.	Green Arum	Perennial, monoecious, limnocrptophyte	Apr.-May	Nova Scotia & QU, s to FL & LA; w to Ontario, MI, MO & TX	Common in very wet swales & Acer swamps	18,30, Hufty, Price, Harris
ARECACEAE						
<i>Sabal etonia</i> Swingle ex Nash	Scrub Palmetto	Perennial, shrub, protandrous, flowers	May-Jun.	ENDEMIC to peninsular FL;	Common in scrubby flatwoods, turkey oak sandhills, scrubby flatwoods & oak scrub	All Tracts except Harris, Watters
<i>Sabal palmetto</i> (Walter) Lodd. ex Schultes (<i>Sabal jamesoniana</i> Small)	Cabbage Palm	Perennial, tree	Spring-Summer	Coastal Plain, FL to NC, West Indies	Occasional, sparingly escaping along Hill Drive, occasional in bayheads	SE,NE,NW. Along ditches, Hufty

SCIENTIFIC NAME	COMMON NAME	LIFE HISTORY	FLOWERING TIME	WORLD DISTRIBUTION	HABITAT AT ABS	DISTRIBUTION AT ABS
<i>Serenoa repens</i> (Bartr.) Small	Saw Palmetto	Perennial, shrub, clonal with large, persistent rhizomes	Jan.-Mar.	Coastal Plain, SC to FL	Common except absent from some bayheads, swales, seasonal ponds	All Tracts except Harris
BROMELIACEAE						
<i>Tillandsia balbisi</i> J.A. & J.H. Schult.	Cuttlefish	Perennial, acaulescent, rootless, epiphyte	All year	FL, Mexico to Panama, West Indies, & n S. America; Status: ST	Occasional to locally abundant, epiphytic mostly on oaks	SE, Hufty
<i>Tillandsia fasciculata</i> Mez var. <i>densispica</i> Mez	Clustered Wild Pine	Perennial, acaulescent, rootless, epiphyte	All year	FL, C. America, West Indies, n S. America; Status: SE	Common epiphyte on pines & large oaks, Main Drive near plaza	SW,NW, Price
<i>Tillandsia recurvata</i> (L.) L. (<i>Diaphoranthema recurvata</i> (L.) Beer)	Ball-moss	Perennial, caulescent, rupicolous, epiphyte	May-Jun.	s US, Mexico to C. America, West Indies, Argentina & Chile	Abundant epiphyte on trees & scrub	All Tracts
<i>Tillandsia setacea</i> Swartz (<i>Tillandsia tenuifolia</i> L., misapplied)	Southern Needle Leaf	Tufted epiphyte	May-Jun.	FL, West Indies, C. & S. America	Locally common epiphyte in scrubby flatwoods	NW,NE,SE,SW, 30, Hufty
<i>Tillandsia usneoides</i> (L.) L. (<i>Dendropogon usneoides</i> (L.) Raf.)	Spanish Moss	Perennial, rootless, branching, pendent, epiphyte	Feb.-May	VA & TN to FL & TX, West Indies, tropical & subtropical America	Common epiphyte in various habitats on trees & shrubs	All Tracts
<i>Tillandsia utriculata</i> L.	Giant Air Plant	Perennial, acaulescent Ligni & rupicolous	Feb.-May	FL & Mexico to West Indies, C. & S. America; Status: SE	Occasional epiphyte on large trees	NE,SE,NW,SW, 19, Hufty, Price
BURMANNIACEAE						
<i>Apteris aphylla</i> (Nutt.) Barnhart ex Small	Nodding Nixie	Perennial herb	Dec.-Jan.	FL to TX, West Indies	Rare in bayheads	7
<i>Burmannia biflora</i> L.	Burmannia	Annual	Jan.	Coastal Plain, VA to FL & TX, SA	Occasional, wet swales	18
<i>Burmannia capitata</i> (Walter) Mart.	Southern Burmannia	Annual	Nov.-Jan.	Coastal Plain, VA to FL & TX, West Indies, S. America	Locally abundant, margins of seasonal ponds & swales	31
COMMELINACEAE						
<i>Callisia ornata</i> (Small) G. C. Tucker (<i>Cuthbertia ornata</i> Small)	Roseling	Perennial	Feb.-Mar.	ENDEMIC to peninsular FL	Rare, scrubby flatwoods, flatwoods & rosemary scrub	SE,SW,18,19, 30,31
<i>Commelina diffusa</i> Burm. f.* (<i>Commelina longicaulis</i> Jacq.) (<i>Commelina gigas</i> Small)	Common Day-flower	Annual, ruderal	Jan.-Oct.	s US & tropical & warm regions world-wide	Common weed in lawns, rare on muck in flatwoods & swales	SW, 18

SCIENTIFIC NAME	COMMON NAME	LIFE HISTORY	FLOWERING TIME	WORLD DISTRIBUTION	HABITAT AT ABS	DISTRIBUTION AT ABS
<i>Commelina erecta</i> L. (<i>Commelina erecta</i> subsp. <i>angustifolia</i> (Michx.) Fernald) (<i>Commelina elegans</i> Kunth) (<i>Commelina angustifolia</i> Michx.)	Day-flower	Perennial	Mar.-Oct.	FL to TX, NJ to NE, AZ, NC, West Indies	Common in turkey oak sandhills, scrub, margins of scrubby flatwoods & firelanes	All Tracts
<i>Tradescantia roseolens</i> Small (<i>Tradescantia longifolia</i> Small)	Spiderwort	Perennial	Sep.-Oct.; Feb.-Mar.	ENDEMIC to peninsular FL	Occasional along firelanes & in scrubby flatwoods	7,18,31,Hufty, Price
CYPERACEAE						
<i>Bulbostylis barbata</i> (Rottb.) Clarke (<i>Stenophyllus barbatus</i> (Rottb.) T. Cooke)	Watergrass	Annual	Jul.-Sep.	EXOTIC (Native to Old World)	Common in gardens, sandy roadsides, firelanes & open scrub	SE,SW, 7,18, 18E,19,19E
<i>Bulbostylis ciliatifolia</i> (Ell.) Fern. (<i>Bulbostylis cilitifolia</i> var. <i>coarctata</i> (Elliott) Kral) (<i>Stenophyllus coarctatus</i> (Elliott) Britton) (<i>Stenophyllus ciliatifolius</i> (Elliott) C. Mohr) (<i>Stenophyllus carteri</i> Britton)	Capillary Hairsedge	Annual or perennial	Mar.-Jul.	Coastal Plain, se VA to FL & TX, Cuba	Abundant along firelanes & in open sand in oak-rosemary scrub	All Tracts
<i>Bulbostylis stenophylla</i> (Ell.) Clarke (<i>Stenophyllus stenophyllus</i> (Elliott) Britton)	Sandy Field Hairsedge	Annual	Jul.-Oct.	Coastal Plain, NC to s FL, FL panhandle, Cuba	Abundant garden weed	SW
<i>Bulbostylis warei</i> (Torr.) Clarke (<i>Stenophyllus warei</i> (Torr.) Britton)	Ware's Hairsedge	Perennial	Jul.-Sep.	Coastal Plain, se NC to s FL & FL panhandle	Common in scrubby flatwoods & open sand firelanes, occasional in open oak scrub	6,7,18, Price, MacArthur
<i>Carex alata</i> Torr.	Broadwing Sedge	Perennial, cespitose	Mar.-May	MA, NY, PA, s to c peninsular FL, w to TX, IN, MI	Occasional on ditch banks, pond margins	SW, 18
<i>Carex longii</i> Mack. (<i>Carex albolutescens</i> Schwein., misapplied) (<i>Carex straminea</i> Willd. Ex Schkuhr, misapplied)	Long's Sedge	Perennial, cespitose	Spring-Summer	Nova Scotia to IN, MI & Saskatchewan, s to c FL, w to se TX, tropical America	Occasional in muck, main grounds	SW
<i>Cladium jamaicense</i> Crantz (<i>Cladium mariscus</i> subsp. <i>jamaicense</i> (Crantz) Kük.) (<i>Mariscus jamaicensis</i> (Crantz) Britton ex Small)	Sawgrass	Perennial, stoloniferous, paludal	Summer-Fall	Coastal Plain, VA to FL & TX, West Indies, Mexico, tropical America		Price
<i>Cyperus compressus</i> L.	Poorland Flatsedge	Annual or short-lived perennial, cespitose	Jul.-Oct.	Coastal Plain & Piedmont, DE to s FL, TX, se MO,	Occasional weed of gardens & firelanes	SW, 7,18,19

SCIENTIFIC NAME	COMMON NAME	LIFE HISTORY	FLOWERING TIME	WORLD DISTRIBUTION	HABITAT AT ABS	DISTRIBUTION AT ABS
<i>Cyperus croceus</i> Vahl (<i>Cyperus retrorsus</i> subsp. <i>robustus</i> (Boeck.) Kük.) (<i>Cyperus multiflorus</i> (Britton) Small) (<i>Cyperus globulosus</i> Aubl. misapplied)	Baldwin's Flatsedge	Perennial	Jul.-Sep.	NJ to s FL, w to TX, OK & MO, tropical America	Common weed of disturbed areas such as gardens, firelanes & lakeshores	SE,7, Hufty
<i>Cyperus distinctus</i> Steud.	Swamp Flatsedge	Perennial, short-rhizomatous	May-Jul.	Coastal Plain se SC to s FL & w into Apalachicola	Occasional in ditches & swales & low flatwoods	SW, 18, Hufty
<i>Cyperus erythrorhizos</i> Muhl. (<i>Cyperus halei</i> Torr.ex Britton)	Redroot Flatsedge	Annual, tufted, colonizer	May-Jun.	MA to Ontario, WI, SD, s to s FL, TX, w to CA, OR, WA & UT	Occasional in muck of seasonal ponds & ditches	SW, Hufty
<i>Cyperus filiculmis</i> Vahl (<i>Cyperus martindalei</i> Britton)	Wiry Flatsedge	Perennial	Apr.-Jul.	NH, Ontario, to MN, TX & FL	Occasional in disturbed sand in turkey oak sandhills	SE
<i>Cyperus haspan</i> L.	Haspan Flatsedge	Perennial, uliginous	May-Aug.	se VA to s FL, w to TX, TN, pantropical	Common in muck of seasonal ponds	SW, 18
<i>Cyperus lecontei</i> Torr.	Leconte's Flatsedge	Perennial, rhizomatous, colonial	Apr.-Oct.	Coastal Plain, se NC to s FL, w to LA	Locally abundant along low muck firelanes	7,18,30,31, Hufty, Price
<i>Cyperus ligularis</i> L.	Large Cyperus	Perennial	May-Aug.	c & s FL, tropical America, Africa	Rare, in swales & along drainage ditches	SW, 18
<i>Cyperus odoratus</i> L. (<i>Cyperus odoratus</i> subsp. <i>engelmannii</i> (Steud.) S.D. Jones et al.) (<i>Torulinium confertum</i> Desv. ex Ham.) (<i>Cyperus speciosus</i> Vahl) (<i>Cyperus longispicatus</i> Norton) (<i>Cyperus ferruginescens</i> Boeck.) (<i>Cyperus ferax</i> Rich.) (<i>Cyperus engelmannii</i> Steud.)	Fragrant Flatsedge	Annual	Apr.-Jun.	MA to MN, generally s to FL, TX, w to CA, tropical America	Occasional in ditches, marshes & swales	SW, 18
<i>Cyperus polystachyos</i> Rottb. (<i>Cyperus polystachyos</i> var. <i>texensis</i> (Torr.) Fernald) (<i>Cyperus careyi</i> Britton ex Small) (<i>Cyperus filicinus</i> Vahl, misapplied) (<i>Cyperus microdontus</i> Torr.) (<i>Cyperus paniculatus</i> Rottb.)	Panicled Cyperus	Perennial, cespitose	Spring-Fall	MA to s FL, w to TX, n to MO, pantropical	Sandy beach along lakeshore	Price

SCIENTIFIC NAME	COMMON NAME	LIFE HISTORY	FLOWERING TIME	WORLD DISTRIBUTION	HABITAT AT ABS	DISTRIBUTION AT ABS
<i>Cyperus retrorsus</i> Chapm. (<i>Cyperus retrorsus</i> subsp. <i>deeringianus</i> (Britton & Small ex Small) Fernald & Griscom) (<i>Cyperus boldgettii</i> Torr.) (<i>Cyperus deeringianus</i> Britton & Small ex Small) (<i>Cyperus litoreus</i> (C.B. Clarke) Britton ex Small) (<i>Cyperus nashii</i> Britton ex Small) (<i>Cyperus ovularis</i> (Michx.) Torr. var. <i>cylindricus</i> (Elliott) Torr.) (<i>Cyperus pollardii</i> Britton ex Small) (<i>Cyperus winkleri</i> Britton & Small ex Small)	Pinebarren Flatsedge	Perennial	May-Aug.	Chiefly Coastal Plain, NY to s. FL, w to TX, c TN	Common in wet depressions of low flatwoods & adjacent firelanes	SE,SW, 7, 18, 19 Price, MacArthur
<i>Cyperus rotundus</i> L.	Nut-grass	Perennial, rhizomatous, tuberous colonial	Apr.-May	EXOTIC (Native to Eurasia), NY to s FL, w to TX, warm regions	Common garden weed	SE
<i>Cyperus surinamensis</i> Rottb.	tropical Flatsedge	Perennial, taphrophyte	All year	Coastal Plain, SC to s FL, w to TX, tropical America, West Indies	Ditches near marsh	Watters
<i>Eleocharis baldwinii</i> (Torr.) Chapm. (<i>Eleocharis capillacea</i> Kunth, misapplied)	Roadgrass	Perennial, stoloniferous	Jan.-May	Coastal Plain, NC to FL, w to LA	Common, margins of seasonal ponds in flatwoods & lakeshores	NW,SW, 18,19,30, Hufty, Price
<i>Eleocharis elongata</i> Chapm.	Slim Spike Rush	Perennial, helophyte	Mar.-Apr.	FL, adjacent GA & AL, Jamaica	Common in swales, along lakeshores	7,18, Hufty
<i>Eleocharis geniculata</i> (L.) Roem. & Schult. (<i>Eleocharis capitata</i> R. Br.) (<i>Eleocharis caribaea</i> (Rottb.) S.F. Blake)	Canada Spike Rush	Annual	Feb.-Mar.	SC to FL, w to CA, n to Great Lakes Basin, pantropical	Common in drainage ditches	SW
<i>Eleocharis microcarpa</i> Torr. (<i>Eleocharis brittonii</i> Svenson ex Small) (<i>Eleocharis torreyana</i> Boeck)	Smal Fruit Spike Rush	Annual	Feb.-Mar.	Coastal Plain, MA to FL & TX, TN & IN, West Indies	Common in drainage ditches	SW
<i>Eleocharis minima</i> Kunth (<i>Eleocharis bicolor</i> Chapm.) (<i>Eleocharis uncialis</i> Chapm. ex Small)	Small Spike Rush	Perennial, stoloniferous	All year	Rare, GA, FL to TX & CA, Mexico, tropical America	Common in seasonal ponds	19
<i>Eleocharis nana</i> Kunth	Hairlike Spike Rush	Annual	Mar.-May	c pen FL, Cuba, S. America	Common, margins of seasonal ponds	7, 18
<i>Eleocharis vivipara</i> Link (<i>Eleocharis prolifera</i> Torr.)	Viviparous Spike Rush	Perennial, rhizomatous	Mar.-May	Coastal Plain, SE VA to FL	Rare, seasonal ponds in low flatwoods	SW, 18
<i>Fimbristylis caroliniana</i> (Lam.) Fern. (<i>Fimbristylis harperi</i> Britton ex Small)	Carolina Fimbry	Perennial, rhizomatous	Jul.-Aug.	Coastal Plain, NJ to FL Keys, w in Gulf states to	Common in burnt-over scrubby flatwoods	18, 19

SCIENTIFIC NAME	COMMON NAME	LIFE HISTORY	FLOWERING TIME	WORLD DISTRIBUTION	HABITAT AT ABS	DISTRIBUTION AT ABS
<i>Fuirena scirpoidea</i> Michx. (<i>Fuirena longa</i> Chapm.)	Umbrella-sedge	Perennial, rhizomatous	Dec.-May	Coastal Plain, GA, FL to se TX, Cuba	Occasional to locally abundant, margins of seasonal ponds, along lakeshores	SW, 7,18,31, Hufty, Price, MacArthur, Watters
<i>Rhynchospora cephalantha</i> Gray (<i>Rhynchospora axillaris</i> (Lam.) Britton, missapplied) (<i>Rhynchospora cephalantha</i> var. <i>pleiocephala</i> Fernald & Gale)	Bunched Beaksedge	Perennial, cespitose	Feb.-May	Chiefly Coastal Plain, NJ to s FL, w to LA	Common in seasonal ponds	SW, 7,18,19,30, 31, MacArthur, Watters
<i>Rhynchospora fascicularis</i> (Michx.) Vahl (<i>Rhynchospora fascicularis</i> subsp. <i>distans</i> (Michx.) Chapm.) (<i>Rhynchospora distans</i> (Michx.) Vahl)	Fascicled Beaksedge	Perennial, cespitose	Apr.-May	Coastal Plain, se VA to s FL, w to se TX, AK	Common in seasonal ponds	7, 18, Hufty, MacArthur, Watters
<i>Rhynchospora microcephala</i> (Britton) Britton ex Small (<i>Rhynchospora cephalantha</i> var. <i>microcephala</i> (Britton) Kük)	Littlehead Beaksedge	Perennial, cespitose	Summer-Fall	Coastal Plain, NJ to c peninsular FL, w to MS, Cuba	Wet sand along lakeshore	Price
<i>Rhynchospora fernaldi</i> Gale	Threadleaf Beaksedge	Perennial, cespitose	Summer-Fall	s GA to c peninsular FL, w to s AL	Common along firelanes	18
<i>Rhynchospora filifolia</i> Gray (<i>Rhynchospora fuscooides</i> C.B. Clarke, misapplied)	Beak-rush	Perennial, cespitose, colonizer	May	NJ to s c FL, w to e TX, Cuba	Locally common in seasonal ponds	7, 18
<i>Rhynchospora intermedia</i> (Chapm.) Britton	Pine Barren Beaksedge	Perennial	Spring-Summer	Coastal Plain, NC to FL, w to se TX, Cuba, C. America	Occasional in swales	6
<i>Rhynchospora inundata</i> (Oakes) Fern. (<i>Rhynchospora careyana</i> Fernald)	Narrow Fruit Horned Beaksedge	Perennial, colonizer, stoloniferous	Jun.-Sep.	e MA to s & w FL	Occasional, seasonal ponds	18, Watters
<i>Rhynchospora megalocarpa</i> Gray (<i>Rhynchospora dodecandra</i> Baldwin ex A. Gray)	Large-seeded Beaksedge	Perennial, cespitose	Mar.-Apr.	NC to c FL	Occasional in flatwoods, oak scrub & scrubby flatwoods	SW,SE,NE,7,18, 19,31,Hufty, MacArthur
<i>Rhynchospora microcarpa</i> Baldw. ex Gray (<i>Rhynchospora edisoniana</i> Britton ex Small)	Small-fruited Beaksedge	Perennial, cespitose	Apr.-May	Coastal Plain, NC to s FL, w to TX; Bahamas, Cuba, Puerto Rico, Hispaniola	Occasional in bayheads, seasonal ponds & swales	NW, 7, 18, Hufty
<i>Rhynchospora pusilla</i> Chapm. ex M. A. Curtis (<i>Rhynchospora intermixta</i> C. Wright)	Fairy Beaksedge	Annual, tufted	Spring-Fall	Coastal Plain, N.C. to S. FL, w. to e. TX, WI	Dry pond margins	18, 30

SCIENTIFIC NAME	COMMON NAME	LIFE HISTORY	FLOWERING TIME	WORLD DISTRIBUTION	HABITAT AT ABS	DISTRIBUTION AT ABS
<i>Rhynchospora tracyi</i> Britt.	Tracy's Beaksedge	Perennial, colonizing, stoloniferous paludal	May-Jun.	Coastal Plain, SC to FL & MS, West Indies	Common emergent macrophyte, Lake Annie	Hufty, Watters
<i>Rhynchospora wrightiana</i> Boeck. (<i>Rhynchospora brachychaeta</i> C. Wright)	Wright's Beaksedge	Perennial, cespitose	Apr.-Jun.	Coastal Plain, se NC to c FL, w to s AL, Cuba, PR	Locally abundant in seasonal ponds	NW, 7, 18
<i>Scirpus cubensis</i> Poepp. & Kunth	Cuban Bulrush	Perennial, free-floating, rooted aquatic	Winter-Spring	FL to TX, tropical America, Africa	On floating vegetation mats	Watters
<i>Scleria ciliata</i> Michx. var. <i>ciliata</i> Michx. (<i>Scleria ciliata</i> subsp. <i>elliottii</i> (Chapm.) Fernald) (<i>Scleria ciliata</i> subsp. <i>glabra</i> (Chapm.) Fairey) (<i>Scleria brittonii</i> Core) (<i>Scleria elliottii</i> Chapm.)	Fringed Nutrush	Perennial, rhizomatous	Jan.-Jun.	se VA to FL & TX	Common in scrubby flatwoods, oak scrub & firelanes	SE,SW, 7,18, MacArthur
<i>Scleria ciliata</i> Michx. var. <i>pauciflora</i> (Muhl. ex Willd.) Kuk. (<i>Scleria pauciflora</i> Muhl. Ex Willd.) (<i>Scleria pauciflora</i> var. <i>caroliniana</i> A. W. Wood)	Fewflower Nutrush	Perennial, rhizomatous	Jan.-Jun.	se VA to FL & TX	Common in scrubby flatwoods, oak scrub & firelanes	SE,SW, 7,18, MacArthur
<i>Scleria reticularis</i> Michx. (<i>Scleria reticularis</i> subsp. <i>pubescens</i> Britton) (<i>Scleria muhlenbergii</i> Steud.) (<i>Scleria setacea</i> Poir, misapplied)	Sessile-spiked Nutrush	Annual	May-Jun.	MA & NY to FL & TX, IN & MO, tropical America	Common in seasonal ponds	SW, Price
<i>Scleria triglomerata</i> Michx.	Tall Nutrush	Perennial, rhizomatous	Spring-Fall	MA to Ontario & WI, s to FL & TX	Occasional along edges of seasonal ponds	18, 18E
<i>Websteria confervoides</i> (Poir) Hooper (<i>Eleocharis confervoides</i> (Poir.) T. Koyama) (<i>Websteria submersa</i> (C. Wright) Britton)	Algal Nutrush	Perennial, submerged aquatic, rooted in mud		FL; tropical America	Locally abundant in deep water	Lake Annie, Hufty
DIOSCOREACEAE						
<i>Dioscorea bulbifera</i> L.	Air-potato	Perennial, dioecious vine, bulbils & tubers	Mar.-Sep.	EXOTIC (Native to tropical Asia & Africa)	Common garden escapee around cottages in main grounds area	SW

SCIENTIFIC NAME	COMMON NAME	LIFE HISTORY	FLOWERING TIME	WORLD DISTRIBUTION	HABITAT AT ABS	DISTRIBUTION AT ABS
ERIOCAULACEAE						
<i>Eriocaulon compressum</i> Lam. (<i>Eriocaulon compressum</i> var. <i>harperi</i> Moldenke)	Hat Pins	Perennial, moneocious	Nov.-Mar.	Coastal Plain, NJ to e FL, w to e TX	Common in seasonal ponds, swales & flatwoods	NW,SW, 7,18,19,30,31
<i>Eriocaulon decangulare</i> L. (<i>Eriocaulon decangulare</i> var. <i>latifolium</i> Chapm. Ex Moldenke)	Bachelor's Buttons	Perennial, moneocious		Chiefly Coastal Plain NJ to FL, w to e TX	Rare, in low flatwoods & seasonal ponds	NW, 7, MacArthur, Watters
<i>Lachnocaulon anceps</i> (Walter) Morong (<i>Lachnocaulon floridanum</i> Small) (<i>Lachnocaulon glabrum</i> Körn)	Whitehead Bog-button	Perennial tufted moneocious herb	May-Sep.	Coastal Plain, NJ to FL & e TX	Common in low flatwoods & palmetto wire grass flatwoods	SW,7,18,19, Mac-Arthur
<i>Lachnocaulon beyrichianum</i> Sporl. ex Körn	Southern Bog-button	Perennial, rhizomatous	Summer	Coastal Plain, GA		
<i>Lachnocaulon engleri</i> Ruhl. (<i>Lachnocaulon engleri</i> var. <i>caulescens</i> Moldenke)	Pipewort	Perennial, moneocious, ephemeral, helophyte	Nov.-Jan.	Outer Coastal Plain, FL, s AL	Locally abundant in many seasonal ponds & on verges	7,18,31, Hufty, Price
<i>Lachnocaulon minus</i> (Chapm.) Small (<i>Lachnocaulon eciliatum</i> Small)	Hairy Pipewort	Perennial, moneocious, ephemeral, helophyte	Nov.-Jan.	Coastal Plain, NC to FL, se AL	Common in open palmetto-wire grass flatwoods & low scrubby flatwoods	SW,18,19
<i>Syngonanthus flavidulus</i> (Michx.) Ruhl.	Bantam-buttons	Perennial moneocious herb rosettes	Dec.-Feb.	Chiefly outer Coastal Plain, NC to FL, s AL	Abundant on low sandy roads, swales & wet prairies	NE,NW,SE, 7,18,19,30,31, Hufty, MacArthur
HAEMODORACEAE						
<i>Lachnanthes caroliana</i> (Lam.) Dandy (<i>Gyrotheca tinctorum</i> (J. F. Gmel) Salisb.)	Carolina Redroot, Blood Root	Perennial rhizomatous herb	May-Aug.	MA, NJ, NC to FL & MS	Common, seasonal ponds & other low muck situations	NW,SW,7,18,19,30, 31, Hufty, Price, MacArthur
HYPOXIDACEAE						
<i>Hypoxis juncea</i> J.E. Smith	Yellow-star Grass	Perennial, corm	All year	Coastal Plain, NC to FL	Occasional in scrubby flatwoods, especially in burnt over areas & roadsides	SE,SW,6,7,18,19,30,31, Hufty
IRIDACEAE						
<i>Sisyrinchium nashii</i> Bickn. (<i>Sisyrinchium arenicola</i> E.P. Bicknell) (<i>Sisyrinchium fibrosum</i> E.P. Bicknell) (<i>Sisyrinchium floridanum</i> E.P. Bicknell) (<i>Sisyrinchium fuscatum</i> E.P. Bicknell)	Blue-eyed Grass	Perennial, cespitose	Jan.-Mar.	Coastal Plain, FL & AL	Occasional in palmetto-wire grass flatwoods	7,18,31

SCIENTIFIC NAME	COMMON NAME	LIFE HISTORY	FLOWERING TIME	WORLD DISTRIBUTION	HABITAT AT ABS	DISTRIBUTION AT ABS
<i>Sisyrinchium xerophyllum</i> Greene (<i>Sisyrinchium solstitiale</i> E.P. Bicknell)	Robust Blue-eyed Grass	Perennial, cespitose	Sep.-Oct.	ENDEMIC to peninsular FL	Common in oak scrub, scrubby flatwoods & palmetto flatwoods	NE,SE,NW,SW,6,7,18,18E,19,19E,30,31, Hufty, Price, MacArthur
JUNCACEAE						
<i>Juncus effusus</i> L. (<i>Juncus effusus</i> L. var. <i>solutus</i> (Fern. & Wieg.) Hämet.-Ahti)	Soft Rush	Perennial, rhizomatous, tussocks	Mar.-May	Cosmopolitan	Occasional in muck, edge of north swales	18
<i>Juncus marginatus</i> Rostk. (<i>Juncus aristulatus</i> Michx.) (<i>Juncus biflorus</i> Elliott)	Grass-leaf Rush	Perennial	Summer	Nova Scotia to MI & SD; s to s FL & TX; AZ	Occasional in swales	SW,18
<i>Juncus megacephalus</i> M.A. Curtis	Large-headed Rush	Perennial		Coastal Plain, VA to s FL, to se TX	Occasional in seasonal ponds	30
<i>Juncus repens</i> Michx.	Creeping Rush	Perennial aquatic or terrestrial	Apr.-May	DE to s FL & TX; n to OK & TN, West Indies	Common on pond & lake bottoms & mucky areas in low flatwoods	SW,7,18, Hufty
<i>Juncus scirpoides</i> Lam.	Globe Rush	Perennial clump-forming rhizomes	Apr.-Jul.	s NY to s FL; w to TX, IN, MI, MO & OK	Common, ditches & pond & lake margins	SW,18,31, Hufty, Price
LILIACEAE						
<i>Lilium catesbaei</i> Walter (<i>Lilium catesbaei</i> subsp. <i>asprellum</i> Wherry) (<i>Lilium catesbaei</i> var. <i>longii</i> Fernald)	Catesby's Lily, Pine Lily	Perennial, bulbous	Aug.-Nov.	Coastal Plain, se VA to FL, w to LA; Status: ST	Occasional to common in flatwoods, grassy seasonal ponds especially after a burn	NW,7, 18, 19,30,31
MELANTHIACEAE						
<i>Schoenocaulon dubium</i> (Michx.) Small	Feather-shank	Perennial, scapose herb	Jun.-Jul.	Coastal Plain, FL & GA	Rare in scrubby flatwoods	SW,18
<i>Stenanthium densum</i> (Desr.) Zomlefer & Judd (<i>Tracyanthus angustifolius</i> (Michx.) Small) (<i>Zigadenus densus</i> (Desr.) Fern.) (<i>Zigadenus leimanthoides</i> A. Gray)	Crow-poison	Perennial, semibulbous	Mar.-Apr.	Coastal Plain, se VA to FL, w to e TX	Occasional in swales & dense, grassy seasonal ponds	18
MAYACACEAE						
<i>Mayaca fluviatilis</i> Aubl. (<i>Mayaca aubletii</i> Michx.)	Bog-moss	Perennial, aquatic or shore plant	Jun.-Oct.	Coastal Plain, NC to FL, w to se TX, tropical America	Common in shallow waters of Lake Annie	Hufty
ORCHIDACEAE						
<i>Calopogon barbatus</i> (Walter) Ames (<i>Limodorum parviflorum</i> Nash)	Bearded Grass-pink	Perennial, terrestrial, scapose, corm	Feb.-Mar.	Coastal Plain, NC to s c peninsular FL, w to LA	Rare, low pine flatwoods	18,19,30,Hufty

SCIENTIFIC NAME	COMMON NAME	LIFE HISTORY	FLOWERING TIME	WORLD DISTRIBUTION	HABITAT AT ABS	DISTRIBUTION AT ABS
<i>Calopogon multiflorus</i> Lindl. (<i>Limodorum pinetorum</i> Small) (<i>Limodorum multiflorum</i> (Lindl.) C. Mohr)	Multi-flowered Grass-pink	Perennial, terrestrial, scapose, corm	Apr.-May	Coastal Plain, FL to MS; Status: SE	Rare, low open flatwoods	Mit 40
<i>Calopogon pallidus</i> Chapm. (<i>Limodorum pallidum</i> (Chapm.) C. Mohr)	Pale Grass-pink	Perennial, terrestrial, scapose, corm	Apr.-May	Coastal Plain, VA to s FL, w to LA	Rare, borders of seasonal ponds in low pine flatwoods	SW
<i>Calopogon tuberosus</i> (L.) Britton et al. (<i>Calopogon pulchellus</i> var. <i>simpsonii</i> (Small) Ames) (<i>Limodorum tuberosum</i> L.) (<i>Limodorum simpsonii</i> Small) (<i>Calopogon pulchellus</i> R. Br.)	Grass-pink	Perennial, terrestrial, scapose, corm	Apr.-May	s FL to MN, & e TX, Cuba, Bahamas	Rare, low pine flatwoods	SW
<i>Encyclia tampensis</i> (Lindl.) Small (<i>Epidendrum tapense</i> Lindl.)	Butterfly Orchid	Perennial, epiphytic, rhizomatous, pseudobulb	Jun.	ENDEMIC to FL; Status: CE	Very rare, epiphytic on <i>Lyonia</i> in oak scrub & on <i>Nyssa</i> in swamps	SE, NE, Price
<i>Eulophia alta</i> (L.) Fawc. & Rendle (<i>Platypus altus</i> (L.) Small)	Wild Coco	Perennial, rhizomes, bulbous corm	Aug.-Sep.	s FL, West Indies, s Mex, C. America, S. America,	Common on sandy roadsides	Hufty, Price
<i>Habenaria floribunda</i> Lindl. (<i>Habenaria strictissima</i> Rchb. f. var. <i>odontopetala</i> (Rchb.f.) L.O. Williams) (<i>Habenella odontopetala</i> (Rchb. f.) Small) (<i>Habenaria odontopetala</i> Rchb. f.)	Funny Face Orchid	Herb	Dec.-Feb.	s c FL, s Mexico, c America, Cuba, Puerto Rico	Occasional in bayheads & edges of swamps	NW,NE,7,Hufty, Price
<i>Habenaria repens</i> Nutt.	Water Spider Orchid	Perennial, free- floating, aquatic or semi-aquatic, stoloniferous	Sep.-Oct.	Coastal Plain, NC to s FL, TX, West Indies, Mexico, C. America, n S. America	Rare along pond margins & lakeshores	Hufty,SW, Price, Watters
<i>Platanthera ciliaris</i> (L.) Lindl. (<i>Blephariglottis ciliaris</i> (L.) Rydb.) (<i>Habenaria ciliaris</i> (L.) R. Br.)	Yellow Fringed Orchid	Perennial, terrestrial, tuberous	Jul.-Aug.	Ontario to c peninsular FL, w to s MI; IL, MO, AR, e TX; Status: ST	Occasional in low flatwoods	Hufty
<i>Pteroglossaspis ecristata</i> (Fern.) Rolfe (<i>Eulophia ecristata</i> (Fernald) Ames) (<i>Triorchos ecristatus</i> (Fernald) Small)	Uncrested Eulophia	Perennial, caulescent, herb, corm	Sep.-Oct.	peninsular FL, West Indies; Status: SE	Rare, wire grass-palmetto flatwoods	18
<i>Spiranthes praecox</i> (Walter) S. Wats. (<i>Ibidium praecox</i> (Walter) House)	Grass-leaved Ladies'-tresses	Perennial, terrestrial, tuberous herb	Apr.-May	Coastal Plain, NJ to s FL, w to e & se TX	Rare in swales	18,19

SCIENTIFIC NAME	COMMON NAME	LIFE HISTORY	FLOWERING TIME	WORLD DISTRIBUTION	HABITAT AT ABS	DISTRIBUTION AT ABS
<i>Zeuxine strateumatica</i> (L.) Schltr.	Lawn orchid	Perennial, terrestrial rhizomatous herb	All year	EXOTIC (Native to tropical Asia): c & s FL	Roadsides and lawns	Main Drive
POACEAE						
<i>Amphicarpum muhlenbergianum</i> (Schult.) Hitch. (<i>Amphicarpum floridanum</i> Chapm.)	Blue Maindencane	Perennial, amphicarpic	Jun.-Sep.	Coastal Plain, SC to s FL, FL panhandle, s AL	Locally common in disturbed scrub	SW, Hufty, Price, Watters
<i>Andropogon brachystachyus</i> Chapm.	Shortspike Bluestem	Perennial, cespitose	Oct.	se GA, ne, n c & peninsular FL, FL panhandle	Abundant in seasonal ponds & swales	NE, NW, SW, 7, 18, 19, 30, 31, Hufty, MacArthur
<i>Andropogon floridanus</i> Scribn.	Florida Bluestem	Perennial, cespitose	Oct.	ENDEMIC to c & s FL	Occasional in oak scrub & scrubby flatwoods	NE,SE,NW,SW,6,7,18E
<i>Andropogon glomeratus</i> (Elliott) C. Mohr*	Bushy Bluestem	Cespitose, perennial	Oct.	FL to s CA, West Indies, Mexico, C. America	Abundant in seasonal ponds & swales of pine flatwoods	SW, 7, 18, 19, 30, 31, Hufty, Price
<i>Andropogon glomeratus</i> (Elliott) C. Mohr var. <i>glaucopsis</i> (Elliott) C. Mohr (<i>Andropogon glaucopsis</i> (Elliott) Nash) (<i>Andropogon virginicus</i> var. <i>glaucopsis</i> (Elliott) Hitchc.)	Bushy Bluestem	Perennial, cespitose	Oct.	FL to s CA, West Indies, Mexico, C. America	Abundant in seasonal ponds & swales of pine flatwoods	SW, 7, 18, 19, 30, 31, Hufty, Price
<i>Andropogon gyrans</i> Ashe*	Bottlebrush Bluestem	Cespitose, perennial	Oct.-Nov.	FL to NJ	Occasional in sand pine scrub	SE
<i>Andropogon ternarius</i> Michx. (<i>Andropogon cabanisii</i> Hack) (<i>Andropogon ternarius</i> var. <i>cabanisii</i> (Hack.) Fernald & Griscom)	Splitbeard Bluestem	Perennial, tufted, cespitose	Oct.-May	Coastal Plain, FL to e TX, OK & DE, rarely Blue Ridge	Margin of sandy firelanes	SW,6,7,18, Hufty
<i>Andropogon tracyi</i> Nash	Tracy's Bluestem	Perennial, cespitose	Oct.	ENDEMIC to Highlands Co., FL	Occasional in turkey oak sandhills	SE
<i>Andropogon virginicus</i> C.S.Campb. var. <i>glaucus</i> Hack. (<i>Andropogon capillipes</i> Nash)	Chalky Bluestem	Perennial, cespitose	Oct.	MA to OH, MO, & KS, s to FL & TX	Frequent in seasonal ponds & swales	NE,SE,NW,SW,6,7, 18,18E,19, 19E, 30,31, Hufty
<i>Aristida stricta</i> var. <i>beyrichiana</i> Trin. & Rupr. D. B. Ward (<i>Aristida stricta</i> Michx., misapplied)	Wiregrass	Perennial, tufted, fire-stimulated flowering	Sep.-Oct.	Chiefly Coastal Plain, n c to s c FL, w to MS	Abundant in low palmetto-wire grass flatwoods & turkey oak sandhill	All except Watter & Price
<i>Aristida gyrans</i> Chapm.	Corkscrew Threeawn	Perennial, tufted	Oct.	FL to GA	Locally common in disturbed scrubby flatwoods, occasional in rosemary scrub	SW, Hufty, Price, MacArthur
<i>Aristida patula</i> Chapm. ex Nash	Tall Threeawn	Perennial, short-rhizomatous	Aug.-Sep.	c peninsular FL, FL panhandle	Locally common along roadsides & in flatwoods	19

SCIENTIFIC NAME	COMMON NAME	LIFE HISTORY	FLOWERING TIME	WORLD DISTRIBUTION	HABITAT AT ABS	DISTRIBUTION AT ABS
<i>Aristida spiciformis</i> Ell.	Bottlebrush Threawn	Perennial, tufted	Oct.-Mar.	Coastal Plain, SC to c peninsular FL & MS, Cuba, Puerto Rico	Occasional in palmetto-wire grass flatwoods & seasonal ponds	SW,7,18,19, 30,31,Hufty, MacArthur
<i>Axonopus furcatus</i> (Flüeggé) Hitchc.	Big Carpetgrass	Perennial, stoloniferous	Summer-Fall	Coastal Plain, FL to se VA	Rare & local along firelanes	18
<i>Cenchrus echinatus</i> L.	Southern Sandspur	Annual	All year	Coastal Plain, NC to FL, AL, NM, tropical America, West Indies	Common weed in various disturbed sites	SE, SW
<i>Cenchrus spinifex</i> Cav. (<i>Cenchrus incertus</i> M.A. Curtis) (<i>Cenchrus pauciflorus</i> Benth.) (<i>Cenchrus longispinus</i> (Hack.) Fernald)	Coast Sandspur	Perennial	Jun.-Oct.	Coastal Plain, FL to TX & NC	Occasional along roadsides & firelanes	SE, SW, 7
<i>Cynodon dactylon</i> (L.) Pers. (<i>Capriola dactylon</i> (L.) Kuntze.)	Bermudagrass	Perennial, rhizomatous, stoloniferous	Aug.	EXOTIC (Native to Africa), Pantropical, Cultivated	Common weed in citrus grove	SE
<i>Dactyloctenium aegyptium</i> (L.) Beauv.	Crowfootgrass	Annual	All year	EXOTIC (Native to Europe), Coastal Plain to AZ, ME, NJ, IL, tropical America	Railroad tracks at rough crossing	7
<i>Dichanthelium aciculare</i> (Desv. ex Poir.) Gould & C.A. Clark (<i>Dichanthelium angustifolium</i> (Elliott) Gould) (<i>Panicum aciculare</i> (Desv. ex Poir.)) (<i>Panicum angustifolium</i> Elliott) (<i>Panicum arenicoloides</i> Ashe) (<i>Panicum fusiforme</i> Hitchc.) (<i>Panicum neuranthum</i> Griseb.) EXOTIC (Native to tropical Asia): se US, Mexico, s to Brazil, West Indies	Common weed in sandy, open soil	SE, SW
<i>Triplasis purpurea</i> (Walter) Chapm. (<i>Triplasis intermedia</i> Nash.)	Purple Sandgrass	Annual, taprooted colonizer cleistogamy	Jul.	FL, TX, C. America	Common along sandy roadsides in flatwoods	NW,SW, 7, Price
<i>Urochloa distachya</i> (L.) T. Q. Nguyen (<i>Urochloa subquadripara</i> (Trin.) R.D. Webster) (<i>Brachiaria subquadripara</i> (Trin.) Hitchc.)	Tropical Signal Grass	Perennial, nodal roots, spreading	Fall	EXOTIC (Native to Asia)	Weed found on main grounds not persisting	SW
PONTEDERIACEAE						
<i>Pontederia cordata</i> L. (<i>Pontederia cordata</i> var. <i>lanceolata</i> (Nutt.) Griseb.) (<i>Pontederia cordata</i> var. <i>lanceifolia</i> (Muhl. ex Elliott) Morong) (<i>Pontederia lanceolata</i> Nutt.)	Pickereel-weed	Perennial	Dec.-Jun.	Nova Scotia, Ontario, to OK & n FL	Common along lake edge, lowest area of interior marshes during wet periods	Price
RUSCACEAE						
<i>Nolina brittoniana</i> Nash	Beargrass	Perennial, caudex stem	Mar.	ENDEMIC to peninsular FL; Status: SE, FE	Rare in scrubby flatwoods, slash pine-turkey oak scrub	SE, NE,7,18,Hufty
SMILACACEAE						
<i>Smilax auriculata</i> Walter	Catbriar	Perennial, dioecious vine	Mar.-Apr.	Coastal Plain, FL to MS & NC	Ubiquitous scrambler/climber	All Tracts
<i>Smilax bona-nox</i> L.	Greenbriar	Dioecious, tuberous, rhizomatous vine	Apr.	MD & VA to x IN & MO, s to c peninsular FL & TX; Mexico	Rare scrambler/climber in flatwoods	SE,SW
<i>Smilax laurifolia</i> L.	Bamboo-vine, Catbriar	Perennial, dioecious, tuberous, rhizomatous vine	Sep.-Oct.	NJ to s FL, e TX, AK, & w TN, Cuba, Bahama Islands	Common scrambler in bayheads	NE,NW,7,18, Hufty, Price, Watters
TYPHACEAE [including Sparganiaceae]						
<i>Typha</i> sp.	Cattail	Perennial, aquatic or paludal, monoecious, rhizomatous	Spring-Summer	Throughout N. America	Occasional in ditches	Watters

SCIENTIFIC NAME	COMMON NAME	LIFE HISTORY	FLOWERING TIME	WORLD DISTRIBUTION	HABITAT AT ABS	DISTRIBUTION AT ABS
XYRIDACEAE						
<i>Xyris ambigua</i> Beyr. ex Kunth	Coastalplain Yellow-eyed Grass	Perennial	Spring-Fall	Coastal Plain, s to FL		
<i>Xyris brevifolia</i> Michx.	Shortleaf Yellow-eyed Grass	Perennial, tufted cryptophyte	Dec.-Mar.	Coastal Plain, NC to s FL, FL panhandle, s AL, to	Common on margins of seasonal ponds & low pine flatwoods	NW,SW, 31
<i>Xyris caroliniana</i> Walter (<i>Xyris flexuosa</i> Muhl. Ex Elliot) (<i>Xyris pallescens</i> (C. Mohr) Small)	Carolina Yellow-eyed Grass	Perennial, tufted cryptophyte	Oct.	Coastal Plain, NJ to FL & TX	Occasional in pine flatwoods & oak scrub, especially after burns	6, 18, MacArthur
<i>Xyris elliottii</i> Chapm.	Elliott's Yellow-eyed Grass	Perennial, tufted cryptophyte	Apr.-Oct.	Coastal Plain, SC to FL, w near Gulf Coast to s MS	Common on margins of seasonal ponds, lakes & swales	NW,SW,7,18, 19,31, Hufty, Price, Watters, MacArthur
<i>Xyris fimbriata</i> Ell.	Fringed Yellow-eyed Grass	Perennial, tufted cryptophyte	Summer-Fall	Coastal Plain, NJ to s FL & Gulf Coast to LA	Common in swales & seasonal ponds	7
<i>Xyris flabelliformis</i> Kral.	Savannah Yellow-eyed Grass	Perennial, occasionally monocarpic	Apr.-Jun.	NC to peninsular FL, w on Gulf Coast to e LA	Common along edges of seasonal ponds	7
<i>Xyris jupicai</i> L. Rich. (<i>Xyris communis</i> Kunth.) (<i>Xyris elata</i> Chapm., misapplied)	Richard's Yellow-eyed Grass	Annual or perennial, occasional monocarpic	Mar.	EXOTIC (Native to Latin America): Coastal Plain, NJ to FL & TX, AK, TN	Locally common, margin of lakes, seasonal ponds & marshes	30,31, Hufty
DICOTS						
ACANTHACEAE						
<i>Asystasia gangetica</i> (L.) T. Andrs.	Chinese Violet	Perennial, herb	Spring-summer	EXOTIC (Native to India): Palm Beach Co. FL	Disturbed areas	Main Grounds
<i>Dyschoriste oblongifolia</i> (Michx.) Kuntze	Twinflower	Perennial, herbaceous	May-Jul.	Coastal Plain, NC to s FL, LA	Rare, low flatwoods	30
<i>Justicia ovata</i> (Chapm.) R.W.Long var. <i>ovata</i> (Walter) Lindau	Water Willow	Perennial, colonial hygrophyte	May-Jun.	Coastal Plain, VA to s FL, to e TX, OK, AK, TN, MO & KY	Rare, low flatwoods	SW
<i>Ruellia tweediana</i> Griseb. (<i>Ruellia brittoniana</i> Leonard & Fern.)	Mexican Bluebell	Perennial, herbaceous	Spring-Fall	EXOTIC (Native to Mexico)		Cottage #4

SCIENTIFIC NAME	COMMON NAME	LIFE HISTORY	FLOWERING TIME	WORLD DISTRIBUTION	HABITAT AT ABS	DISTRIBUTION AT ABS
ADOXACEAE						
<i>Sambucus nigra</i> subsp. <i>canadensis</i> (L.) R. Bolli. (<i>Sambucus canadensis</i> L.) (<i>Sambucus simpsonii</i> Rehder)	Southern Elderberry	Perennial, shrub, hygrophyte	All year	Nova Scotia & Quebec to Manitoba & SD, s to FL & TX, West Indies, Mexico	Common in bayheads, marshes & swamps	NE,NW,SW, Hufty, Harris, Price
<i>Viburnum nudum</i> L. (<i>Viburnum cassinoides</i> L., misapplied)	Possum Haw	Perennial, shrub or tree	Apr.	Newfoundland to Manitoba, s to n FL & e TX	Rare in low flatwoods & bayheads	NW, 7
<i>Viburnum obovatum</i> Walter (<i>Viburnum nashii</i> Small) (<i>Viburnum corymbosum</i> (Mill.) Rehder, misapplied)	Walter's Viburnum	Perennial, shrub or tree	May	Coastal Plain, SC to s FL, se AL	Sparingly escaped from planting along Loop Drive	SE
AMARANTHACEAE [including Chenopodiaceae]						
<i>Amaranthus blitum</i> L. (<i>Amaranthus lividus</i> L., misapplied)	Pigweed	Annual, monoecious	Mar.-Apr.	e US & Cuba, pantropical weed	Rare garden weed	SE
<i>Amaranthus hybridus</i> L. (<i>Amaranthus cruentus</i> L.)	Common Pigweed	Annual, monoecious	May-Jun.	Tropical & temperate America, adventive in Old World	Occasional weed in citrus grove	SE
<i>Amaranthus viridus</i> L. (<i>Amaranthus gracilis</i> Desf.)	Slender Amaranth	Annual, monoecious	All year	SC, NC, FL, GA, AL, Miss.	Disturbed sites	Muck garden
<i>Chenopodium ambrosioides</i> L. (<i>Ambrina ambrosioides</i> (L.) Spach.)	Mexican Tea	Perennial Herb	Apr.-Nov.	Cosmopolitan	Locally common along lakeshores & moist firelanes	NW, Hufty, MacArthur
<i>Froelichia floridana</i> (Nutt.) Moq.	Cottonweed	Annual herb	All year	MO to SD, s to FL, w to NM	Occasional to abundant along firelanes & sandy roads	All upland Tracts
<i>Gomphrena serrata</i> L. (<i>Gomphrena decumbens</i> Jacq.) (<i>Gomphrena dispersa</i> Standl.)	Globe Amaranth	Annual or Perennial herb	Feb.-Oct.	EXOTIC (Native to tropical America), FL, FL Keys	Occasional to common along dry firelanes, road shoulders	NE,SE,NW,SW,7,19,31, Hufty
<i>Iresine diffusa</i> Humb. & Bonpl. ex Willd. (<i>Iresine canescens</i> Humb. & Bonpl. ex Willd.) (<i>Iresine celosia</i> L., misapplied)	Bloodleaf	Annual	Oct.-Dec.	Coastal Plain, NC to FL & LA, West Indies & tropical America	Rare, margins of bayheads	NE,NW, 7
ANACARDIACEAE						
<i>Rhus copallinum</i> L. (<i>Rhus copallinum</i> var. <i>leucantha</i> (Jacq.) DC.) (<i>Rhus leucantha</i> Jacq.) (<i>Rhus obtusifolia</i> (Small) Small)	Winged Sumac	Perennial, tree or shrub	Feb.-Mar.	ME to MN, FL & TX	Occasional, edges of bayheads & trail margins	NE,SE,NW,SW, 7,18, Hufty, Price
<i>Schinus terebinthifolius</i> Raddi	Brazilian Pepper	Perennial, dioecious shrub	Oct.	EXOTIC (Native to S. America)	Occasional escapee, main grounds & Red Hill, now extirpated	SE,SW,18E, Price, Watters

SCIENTIFIC NAME	COMMON NAME	LIFE HISTORY	FLOWERING TIME	WORLD DISTRIBUTION	HABITAT AT ABS	DISTRIBUTION AT ABS
<i>Toxicodendron radicans</i> (L.) Kuntze (<i>Rhus radicans</i> L.)	Poison Ivy	Perennial, moneocious, woody vine	Feb.-Mar.	FL, Nova Scotia to MS, MN, West Indies	Local, hedges & edges of flatwoods, bayheads & margins of seasonal ponds	SE,NE,NW,SW,7, Price, Watters
ANNONACEAE						
<i>Asimina obovata</i> (Willd.) Nash (<i>Ptyothamnus obovata</i> (Willd.) Small)	Scrub Pawpaw, Flag Pawpaw	Perennial, shrub, protogynous, beetle pollinated	Mar.-Apr.	ENDEMIC to peninsular FL	Common in scrubby flatwoods, occasional in scrub, open sand	NE,SE,NW,SW, 7,18,19, Hufty, Price, MacArthur
<i>Asimina reticulata</i> Shuttlew. ex Chapm. (<i>Ptyothamnus reticulatus</i> (Chapm.) Small)	Gopher-berry Pawpaw	Perennial, low shrub	Feb.-Apr.	ENDEMIC to peninsular FL	Occasional in scrubby flatwoods & palmetto-wire grass flatwoods	SE,NW,SW,18, Hufty, MacArthur
APIACEAE						
<i>Eryngium aromaticum</i> Baldwin	Fragrant Eryngium	Perennial herb	Apr.-Nov.	Coastal Plain, FL & GA	Locally common in flatwoods	NW,SW,7,18,1930,31, MacArthur
<i>Eryngium cuneifolium</i> Small	Wedge-leaf Button Snakeroot	Perennial herb with long taproot	Aug.-Nov.	ENDEMIC to s LWR, Highlands Co., FL; Status: SE, FE	Occasional in open rosemary scrub	6,7,30,31 Hufty
<i>Oxypolis filiformis</i> (Henrard) Wipff subsp. <i>filiformis</i> (Walter) Britton	Water Dropwort	Perennial, hydrophyte	All year	Coastal Plain, NC to s FL, TX; Cuba, Bahamas	Occasional, wet prairies and seasonal ponds	7,18, 30
<i>Ptilimnium capillaceum</i> (Michaux) Rafinesque	Mock Bishop's-weed	Annual, hydrophyte	Apr.-May	Coastal Plain, SC, MA, Piedmont to s FL, e TX, MO, KS, IL, KY	Locally abundant in drainage system & along edges of low flatwoods	NE, SW, Price
<i>Spermolepis echinata</i> (Nutt. ex DC) Heller	Bristly Scaleshed	Annual	May-Jun.	AL to TX, CA & MO, Mexico	Rare in mowed lawn, NW corner of main grounds	NE,SW, Price
APOCYNACEAE [including Asclepiadaceae]						
<i>Asclepias curassavica</i> L.	Scarlet Milkweed	Annual	Mar.-Nov.	EXOTIC (Native to tropical America): s peninsular	Locally common, waste ground & firelane margins	SE,NW, 7, 18, 18E, Hufty, Price
<i>Asclepias curtissii</i> A. Gray (<i>Oxypteryx curtissii</i> (A. Gray) Small)	Curtiss' Milkweed	Perennial, herb	Jun.-Aug.	ENDEMIC to peninsular FL; Status: SE	Occasional in scrubby flatwoods	SW, 7, 18, 19, 31, MacArthur
<i>Asclepias feayi</i> Chapm.ex A. Gray (<i>Asclepiodella feayi</i> (Chapm. ex A. Gray) Small)	Feay's Milkweed	Perennial, herb	May-Jun.	ENDEMIC to FL	Rare, in scrubby flatwoods & low flatwoods	SW
<i>Asclepias pedicellata</i> Walter (<i>Podostigma pedicellata</i> (Walter) Vail.)	Pedicillate Milkweed	Perennial Herb	Jun.-Jul.	Coastal Plain, NC to FL	Occasional in scrubby flatwoods, pine flatwoods & swales	SW, 7, 18, 31, MacArthur
<i>Asclepias tomentosa</i> Elliott	Velvet-leaf Milkweed	Perennial, herb	Aug.-Sep.	Coastal Plain, GA & FL	Rare in scrub	SW

<i>Asclepias tuberosa</i> L. (<i>Asclepias decumbens</i> L.) (<i>Asclepias rolfsii</i> Britton ex Vail) (<i>Asclepias tuberosa</i> subsp. <i>rolfsii</i> (Britton ex Vail) Woodson)	Butterfly Weed	Perennial, herb	Apr.-Oct.	Coastal Plain, SC to FL	Occasional in scrubby flatwoods & pine flatwoods	NW,SW, 7, Hufty, MacArthur
<i>Catharanthus roseus</i> (L.) G. Don (<i>Vinca rosea</i> L.)	Madagascar Periwinkle	Annual or Perennial shrub or subshrub	Mar.-Nov.	EXOTIC (Native to Madagascar): peninsular FL & FL	Locally common, waste ground & firelane margins	SE,NW,7,18,18E, Hufty, Price
<i>Sarcostemma clausum</i> (Jacq.) Roem. & Schult. (<i>Funastrum clausum</i> (Jacq.) Schltr.)	Milk With, White-vine	Perennial, herbaceous vine	May-Dec.	peninsular FL & FL Keys, West Indies, Mexico, C. & S. America	Common scrambler on Hibiscus & Ludwigia peruviana	Price, Harris
AQUIFOLIACEAE						
<i>Ilex ambigua</i> (Michx.) Torr. var. <i>ambigua</i> (Michx.) Torr. (<i>Ilex buswellii</i> Small) (<i>Ilex caroliniana</i> (Walter) Trel.)	Sand Holly	Perennial, dioecious tree or shrub	Dec.-May	VA to FL & TX Cuba	Rare & local on edge of oak scrub	Hufty, Price
<i>Ilex cassine</i> L. var. <i>cassine</i> L.	Dahoon Holly	Perennial, dioecious tree	Feb.-Apr.	VA to FL & TX Cuba	Common in bayheads, around some of wetter seasonal ponds, swamps & lake shores	NE,NW,SW, 7,18,19,30, Hufty, Price
<i>Ilex glabra</i> (L.) Gray	Gallberry	Perennial, shrub	Mar.-Apr.	Coastal Plain Nova Scotia to FL & e LA	Common in bayheads, around some wet ponds, low flatwoods & low ground in general	NE,NW,SW,7,18, 18E,19,30,31, Hufty, Price, MacArthur
<i>Ilex opaca</i> (Ashe) Ashe var. <i>arenicola</i> (Ashe) Ashe (<i>Ilex cumulicola</i> Small)	Scrub Holly	Perennial, small tree	Apr.	ENDEMIC to peninsular FL	Occasional in scrubby flatwoods & oak scrub	NE,NW,SE,SW,7, 19,31, Hufty, Price, MacArthur
ARALIACEAE						
<i>Centella asiatica</i> (L.) Urban (<i>Centella repanda</i> fma. <i>floridana</i> (J.M. Coult. & Rose) Small) (<i>Centella repanda</i> (Pers.) Small)	Coinwort	Perennial, helophyte	Apr.-Jun.	Coastal Plain, DE to s FL & TX, pantropical	Locally abundant, low ground under pines	SW,NW, NE, 7
<i>Hydrocotyle bonariensis</i> Comm. ex Lam.	Water Pennywort	Perennial, free-floating aquatic or limnophyte	Apr.-Jul.	Outer Coastal Plain NC to s FL & TX, Mexico & Chile, Puerto Rico	Common emergent in lakes & swales	Hufty, Price, Harris
<i>Hydrocotyle umbellata</i> L.	Marsh Pennywort	Perennial, herb	Spring-Summer	VA,GA, FL, AL & MS	Marshes, wet woods & lakeshore	North swale west boundary, Price, 18
<i>Hydrocotyle verticillata</i> (A.Rich) Fernald*	Whorled Pennywort	Perennial	Jan.-Jun	Coastal Plain, MA to s FL, w to CA, VT, NV, tropical America	Locally common along firelane in low flatwoods	Hufty

SCIENTIFIC NAME	COMMON NAME	LIFE HISTORY	FLOWERING TIME	WORLD DISTRIBUTION	HABITAT AT ABS	DISTRIBUTION AT ABS
ASTERACEAE						
<i>Acanthospermum australe</i> (Loefl.) Kuntze	Paraguay Bur	Annual	Oct.-Nov.	EXOTIC (Native to S. America): widespread on Coastal Plain	Rare on firelanes	SE
<i>Ambrosia artemisiifolia</i> L. (<i>Ambrosia monophylla</i> (Walter) Rydb.) (<i>Ambrosia glandulosa</i> Scheele) (<i>Ambrosia elatior</i> L.)	Common Ragweed	Annual, monoecious	May-Sep.	Canada to CA & WA, s to FL & TX	Common on moister disturbed sites, roadsides & firelanes	NE,SE,NW,SW, Hufty
<i>Baccharis halimifolia</i> L. (<i>Baccharis halimifolia</i> var. <i>angustior</i> DC.)	Salt Bush, Groundsel Bush	Perennial, shrub, polygamodioecious	Oct.-Nov.	Chiefly Coastal Plain, MA to FL & TX, inland to AK, West Indies	Occasional in gallberry flatwoods, in roads & ditches, abundant along railroad	NE,NW,SW, 7,18,19,30,31, Hufty, Price
<i>Balduina angustifolia</i> (Pursh) Robinson (<i>Actinospermum angustifolium</i> (Pursh) Torr. & A. Gray.)	Yellow Buttons	Biennial (strict), herbaceous	All year	Coastal Plain, se NC to peninsular FL, SC, w to s	Common in sandhills, scrubby flatwoods, oak scrub, firelanes & seasonal ponds	All Tracts except Watters & Harris
<i>Bidens alba</i> L. var. <i>radiata</i> (Sch. Bip.) R. E. Ballard ex Melchert (<i>Bidens pilosa</i> L., misapplied) (<i>Bidens pilosa</i> var. <i>radiata</i> Sch. Bip.)	Beggar Ticks	Annual	All year	s FL, SC, MS & LA, Mexico, West Indies, C. America & Old World	Common but local, hedges, edges, fallow gardens & other disturbed areas	NE,SE,NW,SW, 7,18, 19, Hufty, Price
<i>Bidens mitis</i> (Michx.) Sherff	Smallfruit Beggar Ticks	Annual	Oct.-Apr.	Coastal Plain, MD to s peninsular FL, w to se TX	Occasional in wet swales, seasonal ponds, & along lakeshores	NE,18, Hufty, Price
<i>Carphephorus corymbosus</i> (Nutt.) Torr. & A. Gray	Florida Paintbrush	Perennial, herb	Oct.	se GA, s FL to Lake Okeechobee, FL panhandle	Occasional in palmetto scrub & low flatwoods	7,18, 30, 31, Hufty
<i>Carphephorus odoratissimus</i> (J. F. Gmel.) H. Herbert var. <i>subtropicanus</i> (DeLaney, Bissett, & Weidenhamer) Wunderlin & B. F. Hansen (<i>Carphephorus subtropicanus</i> DeLaney, Bissett, & Weidenhamer.)	Vanilla Plant	Perennial, herb	Aug.-Sep.	Coastal Plain, e c NC to s peninsular FL, w to se	Rare, in scrubby flatwoods & low flatwoods	SW,7, 30, Hufty
<i>Carphephorus paniculatus</i> (J.F. Gmel.) Hebert (<i>Trilisa paniculatus</i> (J.F. Gmel.) Cass)	Deer Tongue	Perennial, herb	Jul.-Nov.	Coastal Plain, e c NC to s c peninsular FL, FL panhandle, se AL	Occasional, low flatwoods, seasonal ponds & swales	7,18
<i>Chrysopsis highlandsensis</i> DeLaney & Wunderlin	Highland's Goldenaster	Perennial, herb	Nov.	ENDEMIC, Polk, Highlands and Glades Cos.	Occasional, but very local, scrubby flatwoods and disturbed scrub	19

<i>Ipomoea cairica</i> (L.) Sweet	Mile-a-Minute Vine	Perennial vine	May-Sep.	EXOTIC (Native to Africa): Naturalized where cultivated, s FL, tropical America	Common in old garden area	SW
<i>Ipomoea cordatotriloba</i> Dennst. (<i>Ipomoea trichocarpa</i> Elliott)	Tievine	Perennial vine	Sept.-Oct.	GA,FL,AL, Miss.		
<i>Ipomoea indica</i> (Burm.) Merr. var. <i>acuminata</i> (Vahl) Fosberg (<i>Ipomoea acuminata</i> (Vahl) Roem. & Schult.) (<i>Pharbitis cathartica</i> (Poir.) Choisy)	Oceanblue Morning Glory	Annual, Perennial vine	Sep.-Dec.	peninsular FL, FL Keys to s TX; pantropical	Occasional on scrubby edges	NE, SE, NW
<i>Ipomoea pandurata</i> (L.) G.F.W. Meyer	Wild Potato Vine	Perennial vine	May-Oct.	NY,OH,MI, MO,& KS, s to s c peninsular FL & e TX	Occasional on scrubby edges	SE, SW

SCIENTIFIC NAME	COMMON NAME	LIFE HISTORY	FLOWERING TIME	WORLD DISTRIBUTION	HABITAT AT ABS	DISTRIBUTION AT ABS
<i>Ipomoea quamoclit</i> L. (<i>Quamoclit quamoclit</i> (L.) Britton)	Cypress Vine	Annual, twining vine	Sep.-Oct.	Coastal Plain & Piedmont, pantropical	Garden weed on pineapple, not persisting	SW
<i>Ipomoea x leucantha</i> Jacq. HYBRID (<i>Ipomoea cordatotriloba</i> x <i>Ipomoea lacunosa</i>)	Morning Glory	Perennial vine	Aug.-Oct.	Native, found in VA, SC, NM, LA, FL		
<i>Meremia dissecta</i> (Jacq.) Hallier f. (<i>Ipomoea sinuata</i> Ortega) (<i>Operculina dissecta</i> (Jacq.) House)	Noyau Vine	Perennial vine	Spring-Fall	EXOTIC (Native to tropical America)	Disturbed thickets	Watters, SW
<i>Stylisma abdita</i> Myint. (<i>Bonamia adbita</i> (Myint) R. W. Long)	Showy Dawnflower	Perennial herb	Spring-Summer	ENDEMIC to c FL; Status: SE	Occasionally, open sand in rosemary scrub	30, 31
<i>Stylisma villosa</i> (Nash) House (<i>Bonamia villosa</i> (Nash) K.A. Wilson)	Hairy Dawnflower	Perennial vine	Jun.-Jul.	ENDEMIC to peninsular FL	Rare vine in hickory scrub	MacArthur
CORNACEAE [including Nyssaceae]						
<i>Nyssa sylvatica</i> (Walter) Sarg. var. <i>biflora</i> (Walter) Sarg. (<i>Nyssa biflora</i> Walter) (<i>Nyssa ursina</i> Small)	Black Gum, Swamp tupelo	Perennial, tree, dioecious polygamo-dioecious	Spring	Chiefly Coastal Plain NJ to c FL, w to e TX	Rare, understory tree in slash pine swales, common in swamps	18,NW, Price
CUCURBITACEAE						
<i>Citrullus lanatus</i> (Thunb.) Mats. & Nakai (<i>Citrullus vulgaris</i> Schrad. ex Eckl. & Zeyh) (<i>Citrullus citrullus</i> (L.) H. Karst)	Citron	Annual, vine	Apr.-Sep.	EXOTIC (Native to tropical Africa)	Occasional along firelanes	NE,SW,18E,19,19E, 30,31
<i>Melothria pendula</i> L. (<i>Melothria pendula</i> var. <i>aspera</i> Cogn.) (<i>Melothria pendula</i> var. <i>crassifolia</i> (Small) Cogn.) (<i>Melothria crassifolia</i> Small) (<i>Melothria nashii</i> Small)	Creeping Cucumber	Perennial, monoecious or polygamous vine	Feb.-Sep.	s FL to Mexico, VA, MO	Local, disturbed ground & ditch banks	SW, Hufty, Price
<i>Momordica charantia</i> L.	Wild Balsam Apple	Perennial vine	All year	EXOTIC (Native to Old World tropics)	Local in ruderal habitats, hedges & edges, post-fire in oak scrub	SW, Hufty, Price
CYRILLACEAE						
<i>Cyrilla racemiflora</i> L. (<i>Cyrilla racemiflora</i> L. var. <i>parviflora</i> Sarg.) (<i>Cyrilla arida</i> Small) (<i>Cyrilla parviflora</i> Raf.)	Leatherwood, Swamp Titi	Shrub	Spring-Summer	Coastal Plain FL to TX, VA, MO	Swamps	Price
DROSERACEAE						
<i>Drosera capillaris</i> Poir.	Pink Sundew	Perennial, insectivorous, hygrophyte	Dec.-Apr.	Coastal Plain, VA to FL & TX, tropical America	Common, moist margins of ponds & swales	NW,SW,7,18,30, 31, Price, Watters, MacArthur

SCIENTIFIC NAME	COMMON NAME	LIFE HISTORY	FLOWERING TIME	WORLD DISTRIBUTION	HABITAT AT ABS	DISTRIBUTION AT ABS
EBENACEAE						
<i>Diospyros virginiana</i> L. (<i>Diospyros mosieri</i> Small)	Persimmon	Perennial, dioecious tree	Apr.	s N. England, s to FL & e TX	Locally common in mucky areas, occasional in disturbed areas	NW, Hicora, Price
ERICACEAE [including Empetraceae, Monotropaceae, Pyrolaceae]						
<i>Bejaria racemosa</i> Ventenat	Tarflower	Perennial, evergreen shrub	May-Jun.	Coastal Plain, se GA to s peninsular FL	Ubiquitous, especially in scrubby flatwoods	All upland Tracts
<i>Ceratiola ericoides</i> Michx.	Florida Rosemary	Perennial, dioecious, evergreen shrub	Oct.-Nov.	Coastal Plain SC to FL & MS	Occasional in scrubby flatwoods & scrub, locally abundant on white sand balds	SE,SW,6,7,18, 19, 30,31, Hufty
<i>Gaylussacia dumosa</i> (J.Kenn.) Torr. & A.Gray (<i>Lasiococcus dumosus</i> (J. Kenn.) Small)	Dwarf Huckleberry	Perennial, deciduous shrub	Feb.-Mar.	Coastal Plain & other provinces. N.foundland to WV, s to FL & LA	Occasional in sandy areas of scrubby flatwoods & oak scrub	All upland Tracts
<i>Gaylussacia frondosa</i> (L.) Torr. & A. Gray ex Torr. var. <i>tomentosa</i> A. Gray (<i>Gaylussacia frondosa</i> var. <i>nana</i> (A. Gray)) (<i>Decachaena nana</i> (A. Gray) Small) (<i>Decachaena tomentosa</i> (A. Gray) Small) (<i>Gaylussacia nana</i> (A. Gray) Small) (<i>Gaylussacia tomentosa</i> (A. Gray) Small)	Dangleberry	Perennial shrub	Late Mar.	NH to OH, s to c FL, FL panhandle, s MS & LA	Rare, in bayheads & low flatwoods	NE, NW, 7, Hufty
<i>Lyonia ferruginea</i> (Walter) Nutt. (<i>Xolisma ferruginea</i> (Walter) A. Heller)	Rusty Lyonia	Perennial, evergreen shrub or tree	Feb.-Mar.	Coastal Plain, SC to s c peninsular FL, FL panhandle, West Indies, Mexico	Abundant, turkey oak sandhills, palmetto scrub & scrubby flatwoods	All upland Tracts
<i>Lyonia fruticosa</i> (Michx.) G. S. Torr. (<i>Xolisma fruticosa</i> (Michx.) Nash)	Costalplain Staggerbush	Perennial, evergreen, shrub	Feb.-Mar.	Coastal Plain, GA to s peninsular FL, FL panhandle, West Indies	Ubiquitous, palmetto & scrubby flatwoods	All Tracts except Harris & Watters
<i>Lyonia ligustrina</i> (L.) DC. var. <i>foliosiflora</i> (Michx.) Fernald. (<i>Arsenococcus frondosus</i> (Pursh) Small) (<i>Arsenococcus ligustrinus</i> (L.) Small, misapplied)	Maleberry	Perennial shrub	March-April	Co Pl, s VA to c pen. FL & e TX, OK, AR		
<i>Lyonia lucida</i> (Lam.) K. Koch	Fetterbush	Perennial, evergreen, shrub	Jan.-Mar.	Coastal Plain, se VA to c peninsular FL & LA; w Cuba	Common in scrubby flatwoods, flatwoods, palmetto scrub & wet ponds	All Tracts
<i>Monotropa uniflora</i> L.	Indianpipe	Perennial, root parasite	Nov.-Jan.	Newfoundland to FL, CA to WA	Very rare, scrubby flatwoods & oak scrub	NE,SW, 7,18, 31

LAMIACEAE						
<i>Calamintha ashei</i> (Weatherby) Shinnery (<i>Clinopodium ashei</i> (Weath.) Small)	Ashe's Savory	Perennial, shrub, stoloniferous	Jan.-Apr.	ENDEMIC to Lake Wales Ridge, Marion Co. to Highlands Co. FL; Status: ST, C	Locally common in hickory & oak scrub	SE, 7, 30, 31, MacArthur
<i>Callicarpa americana</i> L.	Beauty Berry	Perennial, shrub	Apr.-May	MD to FL, TX, OK, Mexico, West Indies	Edges of lawns, roads & trails	SE, SW, Hufty
<i>Dicerandra frutescens</i> Shinnery subsp. <i>frutescens</i>	Scrub Balm, Lake Placid Scrub Mint	Perennial, subshrub	Aug.-Sep.	ENDEMIC to s LWR, Lake Placid, Highlands Co., FL;	Occasional in scrub & sandhills, locally abundant in some abandoned firelanes	NE, SE, 18, 18E, 19, 19E, MacArthur
<i>Hyptis alata</i> (Raf.) Shinnery (<i>Hyptis alata</i> var. <i>stenophylla</i> Shinnery) (<i>Hyptis radiata</i> Willd.)	Musky Mint	Perennial herb	Sep.-Oct.	Coastal Plain, NC to s peninsular FL & se TX, West Indies	Occasional in seasonal ponds & swales	19, 31
<i>Hyptis mutabilis</i> (A. Richard) Briquet	Bitter Mint	Perennial herb	All year	EXOTIC (Native to tropical America): FL, sw GA, s	Locally common along fence rows	SW, NW

SCIENTIFIC NAME	COMMON NAME	LIFE HISTORY	FLOWERING TIME	WORLD DISTRIBUTION	HABITAT AT ABS	DISTRIBUTION AT ABS
<i>Ptiloblephis rigida</i> (Bartr. ex Benth.) Raf. (<i>Pycnothymus rigidus</i> (W. Bartram ex Benth.) Small) (<i>Satureja rigida</i> Bartr. ex Benth.)	Wild Pennyroyal	Shrub	All Year	ENDEMIC to peninsular FL	Common but local in palmetto-wire grass flatwoods	SW, 18, 19, 30, 31
<i>Salvia coccinea</i> Buc'hoz ex Etl.	Tropical Sage	Annual	All Year	FL to TX, MO, Mexico, West Indies, tropical America	Common in old garden area, near cottages	SW
<i>Salvia lyrata</i> L.	Lyreleaf Sage	Annual or perennial	Spring/Fall	SC, GA, FL, AL, MI		Lake Annie, Main Drive
<i>Salvia occidentalis</i> Sw.	West Indian Sage	Annual, perennial herb	Spring/Fall	Central and northern peninsula		
<i>Stachys floridana</i> Shuttlew. ex Benth.	Florida Hedgenettle	Perennial, rhizomatous	Mar.-Apr.	Chiefly Coastal Plain, se VA to s FL, e TX	Scrubby borders & thickets, often ruderal	SW, Harris
<i>Trichostema dichotomum</i> L. (<i>Trichostema suffrutescens</i> Kearney)	Forked Bluecurls	Annual or weak perennial	Apr.-Oct.	VA & MO, FL & TX	Common in scrubby flatwoods & rosemary scrub	NE,SE, NW,SW,6,7, 18, 18E, 19, 30,31, Hufty, Price, MacArthur
LAURACEAE						
<i>Cassytha filiformis</i> L.	Love Vine	Perennial, parasitic vine	Nov.	ENDEMIC to s FL	Rare on <i>Quercus myrtifolia</i>	SE,18, Price
<i>Cinnamomum camphora</i> (L.) J. Presl. (<i>Camphora camphora</i> (L.) Karst.)	Camphortree	Tree	Spring	EXOTIC (Native to Asia): FL	Introduced & sparingly escaping into bayheads	NW,SW, 18
<i>Persea borbonia</i> (L.) Spreng. var. <i>borbonia</i> (L.) Spreng. (<i>Tamala borbonia</i> (L.) Raf.) (<i>Tamala littoralis</i> (Small) Small) (<i>Persea littoralis</i> Small)	Red Bay	Perennial, evergreen, tree or shrub	Feb.-Mar.	VA to FL & TX	Common in bayheads, occasional along margins of seasonal ponds	NE,NW,SW, 7, 18,19, Hufty, Price
<i>Persea borbonia</i> (L.) Spreng. var. <i>humilis</i> (Nash) L.E. Kopp* (<i>Persea humilis</i> Nash) (<i>Tamala humilis</i> (Nash) Small)	Silk Bay	Perennial, evergreen, small tree or shrub	Apr.-May	ENDEMIC to FL	Common in turkey oak sandhills, oak scrub & scrubby flatwoods	All Tracts except Harris, Watters
<i>Persea palustris</i> (Raf.) Sarg. (<i>Persea borbonia</i> var. <i>pubescens</i> (Pursh) Little) (<i>Tamala pubescens</i> (Pursh) Small)	Swamp bay	Perennial, evergreen, tree or shrub	Mar.-Apr.	Coastal Plain, VA to s FL to se TX	Common in bayheads	NW,NE,SW, 7, Hufty, Watters
LENTIBULARIACEAE						
<i>Pinguicula caerulea</i> Walter	Blueflower Butterwort	Perennial, hydrophyte	Mar.	Coastal Plain, se NC to Lake Okeechobee, FL panhandle; Status: ST	Rare, swales	18, 19

SCIENTIFIC NAME	COMMON NAME	LIFE HISTORY	FLOWERING TIME	WORLD DISTRIBUTION	HABITAT AT ABS	DISTRIBUTION AT ABS
<i>Pinguicula lutea</i> Walter	Yellow Butterwort	Perennial, hydrophyte	Jan.-Apr.	Coastal Plain, se NC to Lake Okeechobee, w to LA;	Rare, mucky border of trails, in low pine flatwoods & swales	7,18,19,Lake Annie
<i>Pinguicula pumila</i> Michx.	Pink Butterwort	Annual or perennial, hygrophyte	Oct.-Mar.	Coastal Plain, se NC to s FL to se TX, Bahamas	Locally common, low borders of palmetto-wire grass flatwoods	7,18,19
<i>Utricularia cornuta</i> Michx. (<i>Stomosisia cornuta</i> (Michx.) Raf.)	Horned Bladderwort	Annual or perennial, hydrophyte	Nov.-Mar.	Newfoundland to Quebec, Ontario to Manitoba, s to	Occasional, margins of seasonal ponds	31, Price
<i>Utricularia floridana</i> Nash	Florida Yellow Bladderwort	Perennial, hydrophyte		Coastal Plain, SC to c FL, FL panhandle & sw GA	Abundant submergent, found throughout Lake Annie	Hufty,Lake Annie
<i>Utricularia gibba</i> L. (<i>Utricularia biflora</i> Lam.) (<i>Utricularia pumila</i> Walter, misapplied) (<i>Utricularia fibrosa</i> Walter)	Two-flowered Bladderwort	Annual or perennial, free-floating aquatic	Feb.-Mar.	Chiefly Coastal Plain, s N. England to s FL, se TX & e OK	Locally abundant in drainage ditches	SW, Harris
<i>Utricularia olivacea</i> Wright ex Griseb. (<i>Biovularia olivacea</i> (C. Wright ex Griseb.) Kamienski)	Piedmont Bladderwort	Annual or perennial hydrophyte		Coastal Plain, NJ to FL, West Indies, S. America	Occasional but rarely observed in seasonal ponds	7
<i>Utricularia purpurea</i> Walter (<i>Vesiculina purpurea</i> (Walter) Raf.)	Eastern Purple Bladderwort	Annual or perennial free aquatic	Nov.-Apr.	ne N. America, s on Coastal Plain to s FL, se TX,	Occasional in shallow water of seasonal ponds	7, Hufty, Lake Annie
<i>Utricularia subulata</i> L. (<i>Setiscapella cleistogama</i> (A. Gray) Barnhart) (<i>Setiscapella subulata</i> (L.) Barnhart)	Tiny Bladderwort	Annual or perennial, hydrophyte, cleistogamous	All year	Nova Scotia, se MA to s FL, TX & AK, TN, West Indies, tropical America & Asia	Locally abundant, low wet ground, especially low firelanes	NE,NW,SW, 6,7,18, 19, 30, 31, Hufty, Price
LYTHRACEAE						
<i>Ammannia latifolia</i> L. (<i>Ammannia teres</i> Raf.) (<i>Ammannia koehnei</i> Britt.)	Toothcups	Annual	Dec.-Jan.	Coastal Plain NJ to s FL, w to se TX, tropical America, West Indies	Rare, drainage ditch	SW
<i>Cuphea carthagenensis</i> (Jacq.) J.F. Macbr. (<i>Parsonsia balsamona</i> (Cham. & Schldl.) Standl.)	Columbian waxweed	Annual, perennial herb	Summer-Fall	EXOTIC (Native to S. America)		
MAGNOLIACEAE						
<i>Magnolia virginiana</i> L.	Sweetbay	Perennial, shrub or tree	Apr.	Coastal Plain, MA to TN, FL & e TX	Occasional in bayheads & low flatwoods	SW,NE,7,18,19,30, Hufty, Price, Watters

SCIENTIFIC NAME	COMMON NAME	LIFE HISTORY	FLOWERING TIME	WORLD DISTRIBUTION	HABITAT AT ABS	DISTRIBUTION AT ABS
MALVACEAE [including Sterculiaceae, Tiliaceae, Byttneriaceae]						
<i>Malvastrum coromandelianum</i> (L.) Garcke	Threelobe False Mallow	Perennial, weedy	Mar.-Sep.	EXOTIC (Pantropical)	Rare on berm	Price
<i>Sida acuta</i> Burm. f. (<i>Sida carpinifolia</i> L. f.)	Broomweed	Annual or short-lived perennial, herbaceous or suffrutescent	All year	se US to Mexico, CA, West Indies, S. America, Old	Common, main grounds & roadsides	NE,SE,NW,SW, Hufty
<i>Sida cordifolia</i> L.	Sida	Annual, Perennial shrub, subshrub, herb	All year	EXOTIC (native to East Indies)	Common weed of disturbed areas & lakeshores	SW, Hufty, Price
<i>Urena lobata</i> L.	Caesarweed	Perennial, sub-woody herb	All year	ne to s FL, & throughout tropical & subtropical areas	Rare, edge of dredge cut, common, shady areas under trees of main grounds	NE,NW,SW, 18, Hufty
MELASTOMATACEAE						
<i>Rhexia cubensis</i> Griseb.	West Indian Meadowbeauty	Perennial, rhizomatous	Apr.-Nov.	Coastal Plain NC to s FL, w to MS, West Indies	Occasional, low mucky areas	7,18,19,30,31
<i>Rhexia mariana</i> L. (<i>Rhexia lanceolata</i> Walter) (<i>Rhexia mariana</i> var. <i>exalbida</i> Michx.)	Pale Meadowbeauty	Perennial, rhizomatous	Apr.-Nov.	MA to VA, KY, IL, s to s FL & se OK, & e TX	Common, margins of seasonal ponds, wet prairies & low mucky areas	NE,NW,SW,7,18,19, 31, Hufty, Price, Watters, MacArthur
<i>Rhexia nuttallii</i> James	Nuttall's Meadowbeauty	Perennial	Mar.-Nov.	Coastal Plain, se GA & FL	Common in low pinelands & swales	7,18,19,30,31
MELIACEAE						
<i>Melia azedarach</i> L.	Chinaberrytree	Perennial, tree	Apr.	EXOTIC (Native to Asia): commonly cultivated	Rare, fence rows	Price
MENYANTHACEAE						
<i>Nymphoides aquatica</i> (J.F. Gmel.) Kuntze	Big Floatingheart	Perennial, helophyte	Mar.-Apr.	Coastal Plain, s NJ to FL & e TX	Abundant in shallow water near lakeshores	Hufty, Price
MOLLUGINACEAE						
<i>Mollugo verticillata</i> L.	Indian Chickweed	Annual	Feb.-Mar.	EXOTIC (Native to tropical America)	Common garden weed	SE, SW

SCIENTIFIC NAME	COMMON NAME	LIFE HISTORY	FLOWERING TIME	WORLD DISTRIBUTION	HABITAT AT ABS	DISTRIBUTION AT ABS
MORACEAE						
<i>Ficus aurea</i> Nutt.	Strangler Fig	Perennial, germinates on host, grows as epiphyte or strangler	Spring-Fall	s c peninsular FL, FL Keys, Bahamas, Cuba, Jamaica, Hispaniola, Cayman Islands	Occasional epiphyte on oak & gum	Price
MYRICACEAE						
<i>Myrica cerifera</i> L. (<i>Myrica cerifera</i> var. <i>pumila</i> Michx.) (<i>Cerothamnus caroliniensis</i> (Mill). Tidestr.<not in Wunderlan 2003>) (<i>Cerothamnus ceriferus</i> (L.) Small) (<i>Cerothamnus pumilus</i> (Michx.) Small) (<i>Morella cerifera</i> (L) Small) (<i>Myrica pusilla</i> Raf.)	Wax Myrtle, Bayberry	Perennial, evergreen shrub or small tree, monoecious or dioecious	Feb.-Mar.	Coastal Plain, s NJ to s FL, w to e TX, se OK, AR, West Indies	Common in bayheads, flatwoods, moist ditch borders	NE,SE,NW,SW, 6,7,18,18E,19, 19E,30,31, Price, MacArthur, Hufty
MYRSINACEAE						
<i>Rapanea punctata</i> (Lam.) Lundell (<i>Rapanea guianensis</i> Aubl., misapplied) (<i>Myrsine floridana</i> A. DC.) (<i>Myrsine guianensis</i> (Aubl.) Kuntze, misapplied)	Myrsine	Perennial, evergreen shrub or tree	Aug.-Dec.	c peninsular to s FL & FL Keys, tropical America	Common around dug pond, behind berm	Price
MYRTACEAE						
<i>Eugenia uniflora</i> L.	Surinam cherry	Tree, shrub	All year	EXOTIC (Native to S. America): s & s-c FL	Disturbed hammocks	Wash house-MG
<i>Melaleuca quinquenervia</i> (Cav.) S. T. Blake	Punk Tree	Perennial, tree	All Year	EXOTIC (Native to Australia): s FL & warm regions, New Guinea & New Caledonia		Price, Harris
<i>Rhodomyrtus tomentosa</i> (Ait.) Hassk.	Rose Myrtle	Perennial, shrub	Spring	EXOTIC (Native to East Asia & Australia)	EXOTIC, formerly common on berm, ditch bank, edge of borrow pit	Price
NYCTAGINACEAE						
<i>Boerhavia diffusa</i> L. (<i>Boerhavia coccinea</i> Mill.)	Red Spiderling	Perennial	All year	Warm temperate & pantropical	Abundant garden weed	SW
<i>Boerhavia erecta</i> L.	Erect Spiderling	Annual	All year	s US, West Indies, C. & S. America	Occasional weed along plaza margins	SW

SCIENTIFIC NAME	COMMON NAME	LIFE HISTORY	FLOWERING TIME	WORLD DISTRIBUTION	HABITAT AT ABS	DISTRIBUTION AT ABS
<i>Mirabilis jalapa</i> L.	Four-O'Clock	Perennial shrub, subshrub, herb	Jul.-Sep.	EXOTIC (Native to S. America): Warm temperate & tropical regions	Rare & local weed around buildings	SE,SW
NYMPHAEACEAE						
<i>Nuphar advena</i> subsp. <i>advena</i> (Aiton) W.T. Aiton (<i>Nuphar lutea</i> (L.) Sm. subsp. <i>advena</i> (Sol.) Kartesz & Gandhi (<i>Nuphar lutea</i> subsp. <i>macrophyllum</i> (Small) E.O. Beal) (<i>Nymphaea chartacea</i> G.S. Mill & Standl.) (<i>Nymphaea fluviatilis</i> R.M. Harper) (<i>Nymphaea macrophylla</i> Small)	Spatterdock	Perennial, aquatic or paludal	Mar.-Apr.	FL to TX, MA, MN	Common in Lake Annie & Lake Placid, abundant in borrow pit, Price Tr.	18, Hufty, Price
OLACACEAE						
<i>Ximenia americana</i> L.	Tallowood, Hog Plum	Perennial, shrub or small tree, frost-sensitive, root parasite	All year	Widespread in tropics & subtropics	Occasional in all but wet habitats	All except Harris, Watters
OLEACEAE						
<i>Jasminum dichotomum</i> Vahl	Gold Coast Jasmine	Perennial, sprawling vine	All Year	EXOTIC (Native w Africa): s FL		Cottage 4 MG
<i>Jasminum fluminense</i> Vellozo	Brazilian Jasmine	Perennial, sprawling vine	All Year	EXOTIC (Native to Brazil)		Roadside, top of Red Hill
<i>Osmanthus americanus</i> (L.) Benth. & Hook. f. ex A. Gray (<i>Amarolea americana</i> (L.) Small)	Wild Olive	Perennial, polygamous tree	Feb.-Mar.	Coastal Plain, se VA to FL, w to LA	Occasional in oak scrub	Price
<i>Osmanthus megacarpus</i> (Small) Small ex Little (<i>Amarolea megacarpa</i> (Small))	Scrub Olive	Perennial, polygamous shrub or tree	Feb.-Mar.	ENDEMIC to c peninsular FL	Rare in oak scrub, rosemary scrub	NE, SE, 19, 30, 31, Hufty. Type Locality is near Lake Annie
ONAGRACEAE						
<i>Gaura angustifolia</i> Michx. (<i>Gaura eatonii</i> Small) (<i>Gaura simulans</i> Small)	Southern Gaura	Annual herb	May-Aug.	Coastal Plain NC to FL	Common along firelanes & sandy trails	SW, Hufty
<i>Ludwigia erecta</i> (L.) Hara (<i>Jussiaea erecta</i> L.)	Yerba de Jicotea	Annual, hygrophyte	Spring-fall	peninsular & ne FL, tropical America, Old World tropics	Growing along lakeshore	Price
<i>Ludwigia lanceolata</i> Ell.	Lance-leaf Primrose Willow	Perennial, helophyte	Oct.-Dec.	Coastal Plain, FL to NC	Occasional in dredge cut	18

SCIENTIFIC NAME	COMMON NAME	LIFE HISTORY	FLOWERING TIME	WORLD DISTRIBUTION	HABITAT AT ABS	DISTRIBUTION AT ABS
<i>Ludwigia leptocarpa</i> (Nutt.) Hara (<i>Jussiaea leptocarpa</i> Nutt.)	Anglestem Primrose Willow	Annual	All year	Coastal Plain, NC to c peninsular FL, w TX, se MO	Occasional in shallow water at pond's edge	Price
<i>Ludwigia linearis</i> Walter	Narrow-leaf Primrose Willow	Perennial, hydrophyte	Aug.-Sep.	Chiefly Coastal Plain, s NJ to n FL, w to se TX, AK, TN, c FL	Rare in swales	31
<i>Ludwigia maritima</i> R.M.Harper	Seaside Primrose Willow	Perennial, hydrophyte	Nov.-Apr.	Coastal Plain, NC to s peninsular FL, n to e LA	Locally common along margins of palmetto scrub	7,30, 18-rare
<i>Ludwigia microcarpa</i> Michx.	Small-fruit Primrose Willow	Perennial		Chiefly Coastal Plain, NC to s FL, w to LA, c TN,	Abundant, sides of firelanes in wet sand	7
<i>Ludwigia octovalvis</i> (Jacq.) Raven (<i>Jussiaea angustifolia</i> Lam.) (<i>Jussiaea scabra</i> Willd. misapplied)	Mexican Primrose Willow	Annual or perennial subshrub	Nov.-Apr.	Coastal Plain, se NC to s FL, w to e TX, pantropical	Rare along wet, mucky roads	7,18,19 Price
<i>Ludwigia palustris</i> (L.) Ell. (<i>Isnardia palustris</i> L.)	Marsh Seedbox	Perennial, hydrophyte	Spring-Fall	c peninsular FL & throughout temperate N. America, Eurasia, Africa	Drainage ditch near plaza	SW
<i>Ludwigia peruviana</i> (L.) Hara (<i>Jussiaea peruviana</i> L.)	Primrose Willow	Perennial, hygrophyte, woody base, subshrub	Mar.-Nov.	c peninsular & s FL, FL & s GA, tropical America	Common along few drainage ditches & in Lake Annie	SW, Hufty, Price, Watters, Harris
<i>Ludwigia repens</i> Forst. (<i>Isnardia intermedia</i> Small & Alex. Ex Small) (<i>Isnardia repens</i> DC.)	Water Primrose	Perennial, free- floating or submerged aquatic herb to subshrub	Sep.	Coastal Plain, NC to FL, w to NM, n to OK, MO, TN, CA, s to Mexico, West Indies	Occasional in drainage ditches	NW,SW
<i>Ludwigia sphaerocarpa</i> Ell.	Globe-fruit Seedbox	Perennial, hydrophyte	May-Sep.	Coastal Plain, MA to s c peninsular FL, to e TX, IN & s MI	Occasional in swamps, low flatwoods, & lower end of swamps	SW, Price
<i>Ludwigia suffruticosa</i> Walter	Shrubby Primrose Willow	Perennial, rhizomatous, clonal	Apr.-May	Coastal Plain, NC to s FL, & s MS	Occasional in low scrubby flatwoods & along lakeshore	SW, Price
<i>Oenothera laciniata</i> Hill (<i>Raimannia laciniata</i> (Hill) Rose ex ex Britton & A. Br.)	Evening Primrose	Biennial, cut- leaved	May	VT to SD, s to FL & TX, West Indies, Mexico	Very rare, along undisturbed lane	NW

SCIENTIFIC NAME	COMMON NAME	LIFE HISTORY	FLOWERING TIME	WORLD DISTRIBUTION	HABITAT AT ABS	DISTRIBUTION AT ABS
OROBANCHACEAE						
<i>Agalinis fasciculata</i> (Ell.) Raf. (<i>Agalinis fasciculata</i> var. <i>penninsularis</i> Pennell) (<i>Gerardia fasciculata</i> Elliott) (<i>Gerardia fasciculata</i> subsp. <i>peninsularis</i> (Pennell) Pennell)	False Foxglove	Annual, hemiparasite	Oct.	Chiefly Coastal Plain, s MD to s peninsular FL & c TX, inland to NE, AK, MO	Occasional, wire-grass palmetto flatwoods	SW
<i>Agalinis filifolia</i> (Nutt.) Raf. (<i>Gerardia filifolia</i> Nutt.)	Gerardia	Annual	Jul.-Oct.	Coastal Plain, se GA to FL, sw AL	Locally common in burned scrubby flatwoods, occasional elsewhere	SW, 7,18, 18E, 19, 30, 31, Hufty, Price
<i>Agalinis linifolia</i> (Nutt.) Britt. (<i>Gerardina linifolia</i> Nutt.)	Flaxleaf False Foxglove	Perennial, rhizomatous	Sep.-Oct.	Coastal Plain, DE, NC to s FL, to s LA	Rare in swales	7, 18
<i>Buchnera americana</i> L. (<i>Buchnera floridana</i> Gand.) (<i>Buchnera elongata</i> Sw., misapplied) (<i>Buchnera breviflora</i> Pennell)	Bluehearts	Annual, Perennial or Biennial herb	Jun.-Oct.	Coastal Plain, GA to s FL, w to MS	Occasional in open scrub	NE,SE,NW,SW, 6,7, 18, 18E, 19, 30,31, Hufty, MacArthur
<i>Seymeria pectinata</i> Pursh (<i>Afzelia pectinata</i> var. <i>peninsularis</i> Pennell) (<i>Afzelia pectinata</i> (Pursh) Kuntze)	Piedmont Blacksenne	Perennial, hemiparasite	Mar.-Sep.	Coastal Plain, SC to FL & MS	Occasional in scrubby flatwoods & rosemary scrub	7, 18, 31, Hufty, Price, MacArthur
OXALIDACEAE						
<i>Oxalis corniculata</i> L. (<i>Oxalis florida</i> Salisb. subsp. <i>prostrata</i> (Haw.) Lourteig) (<i>Oxalis dillenii</i> Jacq.) (<i>Oxalis stricta</i> L.) (<i>Xanthoxalis corniculata</i> (L.) Small) (<i>Xanthoxalis cymosa</i> (Small) Small) (<i>Xanthoxalis langloisii</i> Small) (<i>Xanthoxalis stricta</i> (L.) Small)	Yellow Wood Sorrel	Perennial, caulescent, stoloniferous, herb	Dec.-Apr.	Coastal Plain & adjacent province, NY to FL, MO &	Occasional in lawns & disturbed areas	SE,SW,7
PASSIFLORACEAE						
<i>Passiflora suberosa</i> L. (<i>Passiflora pallida</i> L.)	Passionflower	Perennial vine, subshrub or forb	May	Pantropical, TX, Mexico, West Indies, s FL		
PETIVERIACEAE						
<i>Rivina humilis</i> L.	Rouge Plant	Perennial herb, subshrub or vine	All year	Coastal Plain, FL to TX, AK	Main grounds	SW
PHYTOLACCACEAE						
<i>Phytolacca americana</i> L. (<i>Phytolacca americana</i> var. <i>rigida</i> (Small) Caulkins & Wyatt) (<i>Phytolacca rigida</i> Small)	Pokeweed	Perennial, colonizer of disturbed ground	Mar.-Sep.	ME to MN, s to FL & TX & AK, Mexico	Common along hedges, edges & lakeshores	NE,SE,NW,SW, 7, 31, Hufty, Price, MacArthur

SCIENTIFIC NAME	COMMON NAME	LIFE HISTORY	FLOWERING TIME	WORLD DISTRIBUTION	HABITAT AT ABS	DISTRIBUTION AT ABS
POLYGALACEAE						
<i>Polygala cruciata</i> L. (<i>Polygala ramosior</i> (Nash ex B.L. Rob.) Small)	Cross-leaved Milkwort	Annual	Jul.-Sep.	s ME to MN, s to c peninsular FL & e TX	Occasional in grassy swales of low flatwoods	NW,7, Hufty
<i>Polygala cymosa</i> Walter (<i>Pilostaxis cymosa</i> (Walter) Small)	Tall Pinebarron Milkwort	Biennial	Mar.-May	Coastal Plain, DE s to s c FL, w to LA	Margins of seasonal ponds & swales	NW,7,18,31
<i>Polygala grandiflora</i> Walter (<i>Polygala grandiflora</i> var. <i>angustifolia</i> Torr. & A. Gray) (<i>Polygala grandiflora</i> var. <i>leiodes</i> S.F. Blake) (<i>Asemeia grandiflora</i> var. <i>angustifolia</i> Small) (<i>Asemeia cumulicola</i> (Small)Small) (<i>Asemeia grandiflora</i> (Walter) Small) (<i>Asemeia leiodes</i> (S.F. Blake) Small) (<i>Asemeia miamiensis</i> (Small ex S.F. Blake) Small) (<i>Polygala krugii</i> Chodat)	Showy Milkwort	Annual herb	Jan.-Apr.	ENDEMIC to lower east coast of peninsular FL	Occasional in low flatwoods	NW,SW,Hufty
<i>Polygala incarnata</i> L. (<i>Galypola incarnata</i> (L.) Nieuwl.)	Procession Flower	Annual	Nov.-Apr.	Long Island to MI, WI, IO, NB s to s FL & e TX, Mexico	Occasional in oak scrub & sandhills	SE,6,18,18E, 19, Hufty
<i>Polygala nana</i> (Michx.) DC. (<i>Pilostaxis nana</i> (Michx.) Raf. ex Small)	Wild Bachelor's Button	Annual or biennial	Dec.-Mar.	Coastal Plain GA to s peninsular FL, w to se TX	Common in low flatwoods, swales & seasonal or dry ponds	7,18,19,30,31, Hufty
<i>Polygala polygama</i> Walter (<i>Polygala aborigina</i> Small)	Reemed Milkwort	Biennial or short-lived perennial herb, taproot, cleistogamous	Jan.-May	FL to TX, Nova Scotia & Manitoba	Occasional in oak scrub & scrubby flatwoods	SE,SW, 18,30,31
<i>Polygala rugelii</i> Shuttlew. ex Chapm. (<i>Pilostaxis rugelii</i> (Shuttlew. ex Chapm.) Small)	Yellow Bachelor's Button	Annual, biennial or Occasional perennial	Sep.-Apr.	ENDEMIC to ne & peninsular FL	Common in swales, palmetto-wire grass flatwoods & margins of wet prairies	NW,6,7,18,19,31, Hufty, Watters, MacArthur
<i>Polygala setacea</i> Michx.	Costal Plain Milkwort	Perennial	Nov.-May	Coastal Plain GA to s peninsular FL, w to MS	Common in palmetto-wire grass flatwoods	SW,7,18,19,30,31 MacArthur
POLYGONACEAE						
<i>Eriogonum longifolium</i> Nutt. var. <i>gnaphalifolium</i> Gand. (<i>Eriogonum floridanum</i> Small)	Scrub Buckwheat	Perennial partially woody herb, fire-stimulated flowering	Jan.-Nov.	ENDEMIC to c peninsular FL, from Marion Co. to Highlands Co; Status: ST, FT	Occasional in oak scrub & sandhills, yellow sand	SE, 18E, 19E

SCIENTIFIC NAME	COMMON NAME	LIFE HISTORY	FLOWERING TIME	WORLD DISTRIBUTION	HABITAT AT ABS	DISTRIBUTION AT ABS
<i>Polygonella basiramia</i> (Small) Nesom & Bates (<i>Polygonella ciliata</i> var. <i>basiramia</i> (Small) Horton) (<i>Delopyrum basiramium</i> Small)	Hairy Wireweed	Perennial herb, short-lived	Sep.-Oct.	ENDEMIC to Lake Wales & Bombing Range Ridges, c FL: Status: SE, FE	Common in scrubby flatwoods, oak scrub & rosemary scrub, especially open sand	NE,SE,NW,SW,6,7,18E,19,19E, 30,31, MacArthur
<i>Polygonella gracilis</i> Meisn. (<i>Delopyrum filiforme</i> Small) (<i>Delopyrum gracile</i> (Meisn.) Small)	Tall Jointweed	Perennial, herb	Jul.-Nov.	SC to FL	Common in flatwoods, scrubby flatwoods, scrub, sandy firelanes & seasonal ponds	All upland Tracts
<i>Polygonum hirsutum</i> Walter (<i>Persicaria hirsuta</i> var. <i>glabrescens</i> (Meisn.) Small) (<i>Persicaria hirsuta</i> (Walter) Small)	Mild Waterpepper	Perennial herb	All year	Coastal Plain, NC to peninsular FL, FL panhandle & s GA	Common in sawgrass swales	Price
<i>Polygonum hydropiperoides</i> Michx. (<i>Polygonum hydropiperoides</i> var. <i>opelousanum</i> (Riddell ex Small) Stone & Radford et al.) (<i>Persicaria hydropiperoides</i> (Michx.) Small) (<i>Polygonum opelousana</i> (Riddell ex Small) Small) (<i>Persicaria opelousanum</i> Riddell ex Small)	Mild Waterpepper	Perennial, colonizer	All year	Nova Scotia to British Columbia, through most of US	Occasional, swales & swamps	18,31, Price
<i>Polygonella myriophylla</i> (Small) Horton (<i>Dentoceras myriophyllum</i> Small)	Woody Wireweed	Perennial, shrub, prostrate	Apr.-Jul.	ENDEMIC to Lake Wales Ridge, FL: Status: SE, FE	Rare, oak scrub on yellow sand	NE, SE
<i>Polygonella polygama</i> (Meisn.)*	Jointweed	Perennial subshrub	Sep.-Oct.	Coastal Plain NC to FL	Occasional to common in scrubby flatwoods & oak scrub	All upland tracts
<i>Polygonella robusta</i> (Small) Nesom & Bates (<i>Polygonella fimbriata</i> var. <i>robusta</i> (Small) Horton) (<i>Thysanella robusta</i> Small)	Sandhill Wireweed	Perennial, subshrub	Aug., Dec.-Jan.	ENDEMIC to peninsular FL	Locally common on rosemary scrub	6,7,30,31, MacArthur
<i>Rumex hastatulus</i> Baldwin	Hastate-leaf Dock	Annual (winter)	Mar.	Coastal Plain, FL to TX, KS, IL	Common roadside weed	NW, NE
PORTULACACEAE						
<i>Portulaca pilosa</i> L.	Pink Purslane	Annual	Mar.-May	Coastal Plain, NC to s FL, LA, tropical America	Common weed in lawns & gardens	SE, SW
<i>Talinum paniculatum</i> (Jacq.) Gaertn.	Pink Baby's-Breath	Perennial subshrub, shrub, herb	Nov.-Jan.	EXOTIC (Native to West Indies)	Common weed in citrus grove	SE

SCIENTIFIC NAME	COMMON NAME	LIFE HISTORY	FLOWERING TIME	WORLD DISTRIBUTION	HABITAT AT ABS	DISTRIBUTION AT ABS
RHAMNACEAE						
<i>Berchemia scandens</i> (Hill) K. Koch	Rattan Vine	Perennial, woody vine	Mar.-Apr.	Coastal Plain se VA to s FL & TX, n to AK, s MO, TN, Mexico, C. America	Rare, wet woods, vicinity of water treatment plant	SW
<i>Sageretia minutiflora</i> (Michx.) Mohr	Buckthorn	Perennial, shrub	Aug.	Coastal Plain NC to FL & MS	Occasional along roadsides	SE
ROSACEAE						
<i>Photinia pyrifolia</i> (Lam.) K.R. Robertson & J.B. Phipps (<i>Aronia arbutifolia</i> (L.) Pers.) (<i>Aronia atropurpurea</i> Britton, misapplied) (<i>Aronia melanocarpa</i> (Michx.) Elliott, misapplied) (<i>Pyrus arbutifolia</i> (L.) L.f.) (<i>Sorbus arbutifolia</i> (L.) Heynh.)	Red Chokeberry	Perennial, shrub	Spring	Newfoundland, Nova Scotia to e TX & c peninsular FL	Occasional in swales & wet thickets	18, Hufty
<i>Prunus geniculata</i> Harper	Scrub plum	Perennial, clonal shrub	Feb.-Mar.	ENDEMIC to c FL; Status: SE, FE	Margin of rosemary scrub & scrubby flatwoods	Bald 42, Sec 30
<i>Prunus umbellata</i> Ell.	Hog Plum	Perennial, tree	Feb.-Mar.	Coastal Plain SC to FL & LA	Rare in scrub	19
<i>Rosa bracteata</i> Wendl.	McCartney Rose	Perennial, shrub	All year	EXOTIC (Native to China)	Locally common, hedges & edges	SW
<i>Rubus argutus</i> Link (<i>Rubus betulifolius</i> Small) (<i>Rubus floridus</i> Tratt) (<i>Rubus persistens</i> Rydb. Ex Small) (<i>Rubus tallahasseeanus</i> L. H. Bailey) (<i>Rubus ucetanus</i> L.H. Bailey)	Blackberry	Perennial, shrub	Mar.-May	Coastal Plain, VA to IL, FL & MS	Rare, edge of berm	Price
<i>Rubus flagellaris</i> Willd. (<i>Rubus enslenii</i> Tratt) (<i>Rubus rhodophyllus</i> Rydb. ex. Small)	Northern Dewberry	Perennial, shrub	Feb.-Mar.	Coastal Plain & adjacent provinces, MA to FL, MO,	Occasional, margins of bayheads & low flatwoods	NE,NW,SW, Hufty
<i>Rubus trivialis</i> Michx. (<i>Rubus continentalis</i> (Focke) L.H. Bailey) (<i>Rubus ictus</i> L.H. Bailey) (<i>Rubus lucidus</i> Rydb. ex Small) (<i>Rubus mirus</i> L.H. Bailey) (<i>Rubus okeechobeus</i> L.H. Bailey)	Southern Dewberry	Perennial, shrub	Feb.	Coastal Plain & outer Piedmont, VA to s FL, w to TX, n to MO & IL	Occasional in low flatwoods	NW,SW, 18

RUBIACEAE						
<i>Cephalanthus occidentalis</i> L. (<i>Cephalanthus occidentalis</i> var. <i>pubescens</i> Raf.)	Button Bush	Perennial, shrub	Apr.-May	FL to TX, CA, Ontario, West Indies, Mexico	Occasional along lakeshore in Acer swamps	Price, Harris, Watters
<i>Diodia teres</i> Walter (<i>Diodia rigida</i> Cham. & Schltld., misapplied) (<i>Diodella rigida</i> (Cham. & Schltld.) Small, misapplied) (<i>Diodella teres</i> (Walter) Small)	Poor-Joe	Annual	All year	s NE to WI & LA, s to FL & TX, AK	Common along firelanes & other disturbed areas of sandy soil	NE,SE,NW,SW, 6,7, 18,18E,19,19E, 30,31, Hufty, Price
<i>Diodia virginiana</i> L. (<i>Diodia hirsuta</i> Pursh) (<i>Diodia tetragona</i> Walter)	Buttonweed	Perennial herb	All year	Nova Scotia to MO, s to s FL & e OK & TX	Rare, edge of seasonal ponds	19
<i>Galium pilosum</i> Ait. (<i>Galium pilosum</i> var. <i>laevicaule</i> Weath. & S.F. Blake) (<i>Galium pilosum</i> var. <i>puncticulosum</i> (Michx.) Torr. & A. Gray)	Bedstraw	Perennial herb	May-Sep.	FL to TX, KS, MA, Ontario	Common in old fields	SE
<i>Galium tinctorium</i> L. (<i>Galium obtusum</i> var. <i>floridanum</i> (Wiegand) Fernald ex/ R. W. Long & Lakela, nom. nud)	Stiff Marsh Bedstraw	Perennial	Dec.-Apr.	Newfoundland & QU to Ontario, MI, N. England, s to FL & e TX	Occasional, ditch margins	SW
<i>Houstonia procumbens</i> (J. F. Gmel.) (<i>Hedyotis procumbens</i> (J.F. Gmel.) Fosberg)	Innocence	Perennial	Dec.-Mar.	Coastal Plain, SC to FL & LA	Common along sandy trails, occasional in palmetto scrub	NE,NW,SW,6,7, 18,19,30,31, Hufty
<i>Oldenlandia corymbosa</i> L. (<i>Hedyotis corymbosa</i> (L.) Lam.	Flattop Mille Graines	Annual	All year	s FL, West Indies, tropical America, Old World	Occasional along fire trails & in other disturbed areas	NE,SE,NW,SW, 18, 19, 30, 31
<i>Oldenlandia uniflora</i> L. (<i>Hedyotis uniflora</i> (L.) Lam) (<i>Hedyotis uniflora</i> var. <i>fasciculata</i> (Bertol.) W. H. Lewis) (<i>Oldenlandia fasciculata</i> (Bertol.) Small)	Clustered Mille Graines	Annual	Aug.-Nov.	Coastal Plain Long Island to s FL, e TX, n to se MO	Occasional, margins of seasonal ponds	SW, Price
<i>Psychotria ligustrifolia</i> (Northrop) Millsp. (<i>Psychotria bahamensis</i> Millsp.)	Bahama Wild Coffee	Perennial, shrub	Spring-summer	s FL		Price
<i>Psychotria nervosa</i> Sw. (<i>Psychotria nervosa</i> var. <i>lanceolata</i> (Nutt.) Sarg.) (<i>Psychotria undata</i> Jacq.)	Wild Coffee	Perennial, shrub, frost-sensitive	Jun.-Aug.	s FL, West Indies, tropical America	Rare in swamps, planted along Loop Drive	Price, SW
<i>Richardia brasiliensis</i> Gomes	Tropical Mexican Clover	Perennial herb	All year	EXOTIC (Native to S. America): peninsular FL	Rare, margin of trails & ditches	SW

SCIENTIFIC NAME	COMMON NAME	LIFE HISTORY	FLOWERING TIME	WORLD DISTRIBUTION	HABITAT AT ABS	DISTRIBUTION AT ABS
<i>Richardia scabra</i> L.	Mexican Clover	Annual	All year	EXOTIC (Native to tropical America): Coastal Plain, NC to FL & TX	Common along firelanes	NE,SE,NW,SW,6,7, 18,18E,19,19E,30, 31, Hufty
<i>Spermacoce assurgens</i> Ruiz & Pavon (<i>Borreria laevis</i> (Lam.) Griseb., misapplied)	Woodland False Buttonweed	Annual	Feb.-Oct.	Coastal Plain, s FL, to LA, West Indies, C. America, S. America	Occasional in ditches	SW
<i>Spermacoce prostrata</i> Aubl. (<i>Borreria ocyroides</i> (Burm. f.) DC., misapplied)	Prostrate False Button weed	Annual	Feb.-Dec.	Coastal s FL, FL Keys, West Indies, tropical America	Occasional in ditches & wet roadsides	SW,7
SALICACEAE						
<i>Salix caroliniana</i> Michx. (<i>Salix amphibia</i> Small) (<i>Salix longipes</i> Shuttlew. ex Andersson)	Carolina Willow	Perennial, shrub or small tree	Jan.-Feb.	MD, w to s IN, s IL, MO & KN, s to s FL & s c TX,	Abundant in swamps, occasional in bayheads, rare elsewhere	19, NE, Hufty, Harris
SAPINDACEAE [including Aceraceae, Hippocastanaceae]						
<i>Acer rubrum</i> L. (<i>Acer rubrum</i> var. <i>trilobum</i> Torr. & A. Gray ex K. Koch) (<i>Acer rubrum</i> var. <i>drummondii</i> (Hook. & Arn. ex Nutt.) Sarg.) (<i>Acer rubrum</i> var. <i>tridens</i> A.W. Wood) (<i>Rufacer rubrum</i> (L.) Small) (<i>Rufacer drummondii</i> (Hook. & Arn. ex Nutt.) Small) (<i>Rufacer carolinianum</i> (Walter) Small)	Southern Acer, Red Maple	Perennial, polygamodioecious tree	Winter-Spring	e Canada to Manitoba s to s FL, OK & e TX	Rare in seasonal ponds, swales & bayheads, abundant in swamps	18, Hufty, Harris, Hicora, Price
SAPOTACEAE						
<i>Sideroxylon reclinatum</i> subsp. <i>reclinatum</i> Michx. (<i>Bumelia microcarpa</i> Small) (<i>Bumelia reclinata</i> (Michx.) Vent.)	Milk Buckthorn	Perennial, shrub	Apr.	Coastal Plain, s GA & FL	Rare, roadside to Red Hill	SE
<i>Sideroxylon rufohirtum</i> Herring & Judd (<i>Sideroxylon reclinatum</i> subsp. <i>rufotomentosum</i> (Small) Kartez & Gandhi) (<i>Bumelia reclinata</i> var. <i>rufotomentosa</i> (Small) Cronquist) (<i>Bumelia rufotomentosa</i> Small)	Florida Bully	Perennial shrub	Spring	Northern and central peninsula, Dixie Co.		
<i>Sideroxylon tenax</i> L. (<i>Bumelia lacuum</i> Small) (<i>Bumelia megacocca</i> Small) (<i>Bumelia tenax</i> (L.) Willd.)	Tough Buckthorn	Perennial, tree or shrub	Mar.-Apr.	Coastal Plain, SC to FL	Occasional scrubby flatwoods, open oak scrub & rosemary scrub	SE, 7,30, 31, Hufty, Price, MacArthur

SCIENTIFIC NAME	COMMON NAME	LIFE HISTORY	FLOWERING TIME	WORLD DISTRIBUTION	HABITAT AT ABS	DISTRIBUTION AT ABS
SOLANACEAE						
<i>Physalis arenicola</i> Kearney (<i>Physalis arenicola</i> var. <i>ciliosa</i> (Rydb.) Waterf.) (<i>Physalis ciliosa</i> Rydb.)	Sand Ground Cherry	Perennial herb	May-Jun.	FL, GA & AL	Occasional, disturbed ground & roadsides	SE
<i>Physalis walteri</i> Nutt. (<i>Physalis elliottii</i> Kunze) (<i>Physalis maritima</i> M.A. Curtis) (<i>Physalis viscosa</i> L. var. <i>elliottii</i> (Kunze) Waterf.) (<i>Physalis viscosa</i> L. subsp. <i>maritima</i> (M.A. Curtis) Waterf.) (<i>Physalis viscosa</i> L. var. <i>maritima</i> (M.A. Curtis) Rydb.)	Ground Cherry	Perennial herb	All Year	Coastal Plain, VA to s FL, tropical America	Edge of sandy road through scrubby flatwoods	SE, 18, 31, Hufty, MacArthur
<i>Solanum americanum</i> Mill. (<i>Solanum nigrum</i> L., misapplied)	American Black Nightshade	Perennial herb or subshrub	Feb.-Mar.	Coastal Plain, NC to FL, TX, tropical America	Occasional in grassy waste places	SW
<i>Solanum capsicoides</i> All. (<i>Solanum aculeatissimum</i> Jacq., misapplied) (<i>Solanum.. ciliatum</i> Lam.)	Soda-apple	Perennial herb or subshrub	Aug.-Nov.	Nova Scotia to FL	Occasional, fence rows	7, 30 31, Price
TETRACHONDRAEAE						
<i>Polypremum procumbens</i> L.	Rustweed	Perennial, herb	Spring-Fall	Long Island, NJ, e PA to e MO, s to s FL & e TX, tropical America	Common, natural fire breaks & margins of firelanes	SE,SW,6,7,18,18E, 19,19E,30,31, Hufty, Price
THEACEAE						
<i>Gordonia lasianthus</i> (L.) Ellis	Loblolly Bay	Perennial tree	Apr.	Coastal Plain NC to n of Lake Okeechobee, peninsular FL, w to LA	Common in bayheads, rare in swales & around margins of some seasonal ponds	SE,NW,SW,7, 18, Price
TURNERACEAE						
<i>Piriqueta cistoides</i> subsp. <i>caroliniana</i> (Walter) Arbo (<i>Piriqueta caroliniana</i> (Walter) Urb.) (<i>Piriqueta caroliniana</i> var. <i>glabra</i> (DC.) Urb.) (<i>Piriqueta caroliniana</i> var. <i>tomentosa</i> (A.W. Wood) Urb.) (<i>Piriqueta glabrescens</i> Small) (<i>Piriqueta tomentosa</i> Kunth, misapplied) (<i>Piriqueta virdis</i> Small)	Piriqueta	Perennial	Jun.-Oct.	Coastal Plain NC to FL, Cuba & Hispaniola	Rare, margins of turkey oak sandhills & oak scrub	SE,SW

SCIENTIFIC NAME	COMMON NAME	LIFE HISTORY	FLOWERING TIME	WORLD DISTRIBUTION	HABITAT AT ABS	DISTRIBUTION AT ABS
URTICACEAE						
<i>Boehmeria cylindrica</i> (L.) Sw. (<i>Boehmeria cylindrica</i> var. <i>drummondia</i> (Wedd.) Wedd.) (<i>Boehmeria drummondiana</i> Wedd.) (<i>Boehmeria decurrens</i> Small)	False Nettle	Perennial, monoecious herb	Apr.-May	Quebec & Ontario to MN, s to FL & TX	Occasional in bayheads & along drainage systems	NW,SW,NE,7, Price
<i>Parietaria floridana</i> Nutt. (<i>Parietaria nummularia</i> Small)	Pellitory	Annual or short-lived perennial, polygamo-monoecious	Feb.-Mar.	Coastal Plain, DE to FL, w to TX, CA, Cuba	Occasional ditch bank weed	SW
<i>Pilea microphylla</i> (L.) Liebm.	Artillery Plant	Perennial, dioecious or monoecious herb	Nov.-Jan.	Throughout tropical America	Common along ditch banks, especially on granite embankments	SW
VERBENACEAE						
<i>Lantana camara</i> L. (<i>Lantana camara</i> var. <i>aculeata</i> (L.) Moldenke) (<i>Lantana aculeata</i> L.) (<i>Lantana depressa</i> var. <i>floridana</i> (Moldenke) R. W. Sanders) (<i>Lantana depressa</i> var. <i>sanibelensis</i> R. W. Sanders)	Shrub Verbena	Perennial, shrub	All year	Coastal Plain, GA, FL to TX, tropical & subtropical America	Edges of lawns, roads, & trails	SW, Hufty
<i>Phyla nodiflora</i> (L.) Greene (<i>Lippia nodiflora</i> (L.) Michx.)	Carpet Weed Frogbit	Perennial, herb	All year	Coastal Plain, VA to s FL, TX, OK, AK, MO, pantropical	Moist but disturbed areas, especially lawns & roadsides	SW, 31, Hufty
<i>Verbena scabra</i> Vahl	Harsh Verbena	Perennial herb	May-Aug.	Coastal Plain, VA to s FL, w to Central America; n Mexico, West Indies	Roadsides, edges of drains & ditches & low flatwoods	SW, 31, Hufty
VERONICACEAE						
<i>Bacopa monnieri</i> (L.) Pennell (<i>Bramia monnieri</i> (L.) Pennell)	Water Hyssop	Perennial, helophyte, rooted or free-floating	Sep.	Outer Coastal Plain, se VA to s FL & FL Keys, to c & s TX, subtropics & tropics	Occasional in drainage ditches	NW, SW
<i>Gratiola ramosa</i> Walter	Hedge Hyssop	Perennial herb	Feb.-Mar.	Coastal Plain, MD, se NC to s FL, to sw LA	Common but local in low flatwoods & scrubby flatwoods	19, 30
<i>Limnophila sessiliflora</i> Blume	Asian Marshweed	Perennial, hydrophyte	Oct.-Dec.	EXOTIC(Native of Old World tropical) sw GA & FL, sporadic elsewhere	Local in drainage ditches, recently introduced and escaped from cultivation	SW

SCIENTIFIC NAME	COMMON NAME	LIFE HISTORY	FLOWERING TIME	WORLD DISTRIBUTION	HABITAT AT ABS	DISTRIBUTION AT ABS
<i>Linaria floridana</i> Chapm. (<i>Nuttallanthus floridanus</i> (Chap.) D.A. Sutton)	Apalachicola Toadflax	Annual	Fall-Spring	Coastal Plain, GA to FL & MS	Occasional in flatwoods, rare in scrubby flatwoods, common in fields	NE,SE,NW,SW, 6,7, 18, 18E, 19, 19E, 30, 31, Hufty, Price
<i>Lindernia grandiflora</i> Nutt. (<i>Ilysanthes grandiflora</i> (Nutt.) Benth.)	False Pimpernel	Annual or biennial	Nov.-May	se GA to s peninsular FL	Margin of seasonal ponds in low flatwoods	30
<i>Mecardonia acuminata</i> (Walter) Small	Axil Flower	Perennial herb	Apr.-May	Coastal Plain & Piedmont, DE & MD to s FL & e TX, inland to s MO, TN	Rare, margin of palmetto-scrub	7, 18E
<i>Mecardonia acuminata</i> subsp. <i>peninsularis</i> (Pennell) Rossow (<i>Mecardonia acuminata</i> var. <i>peninsularis</i> Pennell)	Axil Flower	Perennial herb	Spring, Fall	Coastal Plain & Piedmont, DE & MD to s FL & e TX,		
<i>Micranthemum glomeratum</i> (Chapm.) Shinnery (<i>Hemianthus glomeratus</i> (Chapm.) Pennell)	Manatee Mudflower	Annual herb, helophyte	Mar.	ENDEMIC to peninsular FL	Local in drainage ditches	SW
<i>Scoparia dulcis</i> L.	Sweet Broom, Licorice Weed	Perennial herb	Aug.-Sep.	EXOTIC (Native to tropical America): chiefly Coastal Plain, SC to s FL & LA	Occasional as a ruderal	SW, 19, 31
VIOLACEAE						
<i>Viola lanceolata</i> L. (<i>Viola lanceolata</i> subsp. <i>vittata</i> (Greene) N.H. Russell) (<i>Viola vittata</i> Greene)	Bog White Violet	Perennial, acaulescent, rhizomatous & stoloniferous herb	Mar.	NJ & MN to FL & TX	Locally abundant in wet sections of pine flatwoods	NE,NW, MacArthur
VISCACEAE						
<i>Phoradendron leucarpum</i> (Raf.) Reveal & M.C. Johnst. (<i>Phoradendron serotinum</i> subsp. <i>macrotomum</i> (Trel.) M.C. Johnst.) (<i>Phoradendron eatonii</i> Trel.) (<i>Phoradendron flavescens</i> (Pursh) Nutt., misapplied) (<i>Phoradendron macrotomum</i> Trel.) (<i>Phoradendron serotinum</i> (Raf.) M.C. Johnst.)	Mistletoe	Perennial, parasitic, dioecious	Sep.-Mar.	NJ to MO, s to FL & w to NM	Occasional parasite on oaks in scrubby flatwoods & oak scrub	NE,SE,NW,SW, 6,7,18,19, Price

SCIENTIFIC NAME	COMMON NAME	LIFE HISTORY	FLOWERING TIME	WORLD DISTRIBUTION	HABITAT AT ABS	DISTRIBUTION AT ABS
VITACEAE						
<i>Ampelopsis arborea</i> (L.) Koehne	Pepper Vine	Perennial, woody shrub or vine	Spring	MD to IL & MO, s to FL, OK, TX, West Indies	Occasional, roadsides to Red Hill & along ditch near cage areas, rare elsewhere	SE, SW
<i>Parthenocissus quinquefolia</i> (L.) Planch. (<i>Parthenocissus quinquefolia</i> fma. <i>hirsuta</i> (Pursh) Fernald)	Virginia Creeper	Perennial, woody vine	Spring	FL to TX, Manitoba to Quebec	Occasional, hedges, edges, fences & bayheads	NE,SE,NW,SW, 7, Hufty, Price
<i>Vitis rotundifolia</i> Michx. (<i>Vitis rotundifolia</i> var. <i>munsoniana</i> (J.H. Simpson ex Munson) M.O. Moore) (<i>Muscadinia munsoniana</i> (J.H. Simpson ex Munson) Small) (<i>Muscadinia rotundifolia</i> (Michx.) Small) (<i>Vitis munsoniana</i> J.H. Simpson ex Munson)	Muscadine Grape	Perennial, polygamodioecious vine	Apr.-May	FL & GA	Abundant in bayheads, occasional elsewhere	NE,SE,NW,SW, 6,7,18,18E, 19,19E, Hufty, Price
<i>Vitis shuttleworthii</i> House (<i>Vitis coriacea</i> Shuttlew. ex Planch.)	Calusa Grape	Perennial, vine	Apr.-May	PA, FL, West Indies	Occasional on fences	NE, 30
