Audubon Club to hear from avian ecologist

LAKE PLACID — Reed Bowman, avian ecology program director at Archbold Biological Station, will be the featured speaker at the Highlands Audubon Society meeting Tuesday at the Lake Placid Art League, 127 Dal Hall Blvd.

The Florida scrub-jay is the only endemic bird in Florida and has been studied for 45 years. Archbold is home to many jay families. Come learn more about our beloved scrub jay and the ongoing research about them.

Covered dish dinner begins at 6:30 p.m., announcements are at 7:15 and the program starts at 7:30. Meetings are free and open to the public. For more information, call Helen at 465-2468.
